Elkins case under study

PORTLAND (UPI)—U.S. Attorney C. E. Luckey said today the next step in the James B. Elkins federal wiretap case would have to wait study of a U.S. Supreme Court decision which set aside a 1957 conviction against Elkins and Raymond F. Clark.

The high court in its decision Monday ruled that evidence illegally obtained by state officers may not be used in a federal criminal trial over objections of the defense. The challenged evidence in the case consisted of live tape recordings seized by police in Clark's home, under a warrant later invalidated in a state court.

The case was sent back to Federal court here for further proceedings. Luckey said it would take a week or 10 days to get the opinion and that any comment at present would be premature.

The case was an outgrowth of the Portland vice probe of 1956, touched off by Elkins' disclosures to two Oregonian reporters.

50th anniversary of Bend Catholic parish observed

Formal observance of the 50th anniversary of the establishment of the St. Francis of Assisi Catholic parish in Bend by the late Father Luke Sheehan ended here Monday evening with a parish banquet.

The celebration extended over three days, and included the ordination to the priesthood of a Bend-born youth, the Rev. Father Anthony Richard Harris, and the welcome to new officials of the Capuchin order, including Father Virgilius Murtagh, custodian of the Capuchin monastery in Dublin, Ireland. He is a brother of Father Stephen Murtagh, pastor of the local parish.

Here for the three-day observance was Bishop Francis P. Leitzig, of Baker.

State Rep. J. Pat Metke was master of ceremonies at the Monday night parish banquet, at the Pilat Rattle Inn. Some 175 persons were present.

Among those present were four who were in Bend when the parish was founded in 1910 — Mr. and Mrs. Luther Metke, C. A. M. Sherman; Miss Marie Brostehaus, Bend, and Mrs. Robert Harris, of California. Mrs. Harris is mother of the newly-ordained priest.

Greetings were brought by Mayor William E. Miller of Bend and the Rev. D. L. Penhollow, Des-

chutes county judge. Visiting clergymen were introduced.

Bishop Leitzig made the closing remarks, continuing the thread of good fellowship which ran through the entire meeting. Earlier, Father Stephen Murtagh expressed appreciation to those who came great distances.

In his talk, Bishop Leitzig lauded the trend for cooperation among Catholics, Protestants and Jews. Especially in Bend, several speakers noted, there is a fine attitude of cooperation among Catholics and non-Catholics. Bishop Leitzig said:

"I am a Catholic, and I am also an American. In serving God, I must also serve my country."

A special guest at the banquet was Bend's 1960 pageant queen, Anne Moty, who was introduced by Father Coughlan.
