

THIRD ROTARY OLYMPICS MONDAY  
And sometimes it gets darn crowded in these jump pits

### Third Rotary Olympics set for Monday

Rotarians will be busy this weekend making final preparations for the Third Annual Bend Rotary Olympics Monday afternoon and evening at Bruin Field.

Preliminaries will be held 1 p.m. Monday, with final events starting 6:30 p.m.

Dress rehearsal was held Friday evening at Bruin, with Red, White, Blue, Green, Gray and Yellow teams participating in the grand entrance.

A feature of the meet will be bringing the torch from the top of Pilot Butte to light the large torch in the infield signalling the start of the finals Monday evening.

Route of the six torch bearers will be from the top of Pilot Butte to Greenwood, down Greenwood to Third, south on Third to Franklin, and then diagonally across to the north entrance.

The final runner will circle the track once with the torch.

The meet was originally scheduled for last May 20, but was postponed until August because of a prolonged cold spring.

Idyl weather is in store for Monday night's finals, and a large crowd is expected.

Each team has had four regular practice sessions, and is made up of boys in the first through ninth grades and girls in the first through sixth grades.

### Portland gains Babe Ruth finals

GLENDIVE, Mont. (UPI) — Portland nipped Libby, Mont. Friday night 4-3 to advance to the championship game tonight with north Seattle, Wash., in the finals of the Northwest Regional Babe Ruth baseball tournament here.

If Portland, already downed once by the Washington club, should beat Seattle's big team, a second game will be played Sunday night to determine the team that will represent the Pacific Northwest at the Little World Series in St. Paul, Minn.

In an earlier game Friday Libby earned the right to meet Portland by routing Kellogg, Idaho, 13-2, eliminating the Gem state nine.

The Oregonians, behind 3-0 in the fourth inning, methodically pushed one run across the plate in each of the last four innings, finally catching the Montana crew in the bottom of the final inning.

Jim Willoughby struck out 10 and allowed only four hits to pick up the win for Portland.

The Oregonians scored their winning run in the bottom of the seventh when Ron Lucas singled, took second on a walk and came home on Ken Tester's single.

### Hustle not enough

## Colts smother Stars via Unitas' magic arm

CHICAGO (UPI) — The College All Stars had the "needle" and the hustle, but you need much deadlier weapons than those to beat the championship pro know-how of the Baltimore Colts.

That, Colt coach Weeb Eubank and College All Star leader Otto Graham agreed today, is why the kings of the National Football League took the cream of the campuses apart at Soldier Field Friday night, 32-7.

The Colts, whipping up three touchdowns on the magic passing combination of Johnny Unitas to Lenny Moore and sailing away three field goals by Steve Myhra, never appeared worried about what would happen before the 70,000 fans.

But Graham defended his youngsters. "The old pros just outsmarted them," he said. "They didn't out-hustle them."

Eubank gave amiable agreement. "Graham did a good job," he said of the former Cleveland Browns ace who has piloted the All-Stars to one victory and two Colt defeats.

"He needed those kids into giving a lot of hustle. I enjoyed the game for another reason, too. It gave me a chance to look at some of my rookies."

Eubank got lots of time to look at his rookies after the experienced hands and toe of Unitas, Moore and Myhra had produced the scores.

Unitas, kingpin of pro football quarterbacks, threw two three-yard touchdown passes to Moore and another for 13 yards. Myhra kicked successfully from the 30 and twice from the 27. The burly Colt defense added two more points on a safety, while the All Stars got their touchdown on a 60-yard pass play from Southern Methodist's Don Meredith to Oklahoma's Prentice Gautt.

Graham wasn't surprised by what happened in the 27th renewal of the summer football classic. "We never expected to beat the Colts," he said. "Our kids made too many errors, mental errors, and you can't do that against the pros."

"I thought we played good football. We had a lot of bad breaks, especially in the early part of the game."

After Eubank's "old pros" had done their stuff, he pulled Unitas and company shortly after the start of the third period and let his rookies show their stuff. He needn't have worried. The NFL champions already had a 24-0 lead on their way to the pros' 17th All Star game victory.

The alertness of the pros helped their production. Three times the Colts intercepted collegiate passes, and twice these led to points. Boy Boyd returned one pitch 25 yards to set up Myhra's third field goal and Bill Pellington hauled his second interception of the night 15 yards to the Stars' 13 to set up the Colts third touchdown.

The Stars lost the ball on a fumble on the Colts' 11 to lose a good potential scoring chance. The Colts went from there to their second touchdown and a 14-0 lead.

## U.S. golf team fights back to win Americas Cup title

By Bill Neville  
UPI Staff Writer

OTTAWA (UPI)—The United States' finest amateurs, a fifth straight Americas Cup championship tucked firmly away, waited today for a chance to add the Canadian Amateur crown to their 1950 trophy bag.

The betting was that one of them would turn the trick for the first time in six years when the week-long 56th annual amateur opens Monday.

The heavily favored Americans had their stiffest battle in the eight-year history of the Americas Cup yesterday. Set back by an unusual penalty that cost them crucial points and facing a surprising Canadian team that refused to fold, they needed a dramatic comeback in the day's final singles matches to extend their country's perfect cup record.

**Dramatic Comeback**  
But come back they did, sweeping seven and tying three of their 12 singles to nose out the host Canadians, 21½ points to 20. Mexico was a distant third with 12½ points.

Don Cherry, the balding crooner from Wichita Falls, Tex., who played poorly in two Scotch sixsome matches, got the U.S. its margin of victory in the next to the last match of the day. John Konsek, 29-year-old Big Ten conference titlist from Buffalo, N.Y., clinched it in the finale.

l-up, and tie Ron Willey of Vancouver. Only then was the issue settled.

Jack Nicklaus, the U.S. amateur champion from Columbus, Ohio, whose eight-under-par 63 Thursday was the tourney's best round, scored a two-point sweep in his singles match, while Deane Beman of Silver Spring, Md., and Charlie Coe of Oklahoma City, Okla., each added a win and a tie. Only playing-captain Bill Hyndman of Huntingdon Valley, Pa., drew a blank as the Yankees stormed back from a tough morning setback.

Priscilla Blakely had a 57 low gross to pace the nine-hole group, while Mary Summers had low net of 39.
