De Gaulle may soon have more Africa trouble

Foreign News Commentary
By William J. Fox
UPI Staff Writer

Algerian Troubles:

There is every likelihood that France's President Charles de Gaulle will soon have more trouble in North Africa. While the situation is being played down officially, he faces a two-pronged problem there. One comes from the regular army men there who are the backbone of the fight against the Moslem rebels. They resent the idea of abandoning Algeria and are beginning to act up in some Algerian cities. They lack a focal point around which to rally their resentment. But Gen. Raoul Salan, champion of a "French Algeria," still is at large and might provide that force. The second part of De Gaulle's dilemma is the fact that hope of settling the Algerian issue by negotiation has floundered. As a result, the French have partly abandoned their unilateral cease fire, and the Moslem rebels are likely to build up for a more intensive fight. If Algeria doesn't provide enough difficulty, neighboring Tunisia promises to do so. Tunisian President Habib Bourguiba remains determined to drive the French out of the air and naval base at Bizerte. He ordered a series of demonstrations over the weekend and the issue went before the United Nations in New York today. It is with these nagging problems in the background that De Gaulle had to face the situation in Berlin. The Paris government has said it intends to build up its forces in France and Germany because of Berlin. But the question bothering observers is where are those forces going to come from, with France so deeply aggravated by its North African headaches.

Bumbling Mikoyan:

Unless he makes a fast recovery, Soviet First Deputy Premier Anastas Mikoyan's "goodwill" visit to Japan will go down as one least likely to win friends for the Kremlin. Ever since he arrived on an "unofficial" trip to open a Soviet trade fair and explore part of the country, Mikoyan has acted as a rude guest. He has lectured the Japanese on their foreign affairs and criticized the United States-Japan Security Treaty. But all he has done is to antagonize virtually all elements of Japanese society, and may have done more to harm than help Japanese-Soviet relations.

Vatican Streamlining:

Expect some streamlining of the Vatican's "Foreign Office" following the appointment of Amleto Giovanni Cardinal Cicognani as new Vatican secretary of state. Cicognani spent 25 years in Washington as a Vatican diplomat and is considered more open to modern suggestions than any of his immediate predecessors. The Vatican's diplomatic service, while excellently informed, still is centuries behind as regards speed in making the information known, collating it and making decisions.

NOTICE OF FINAL SETTLEMENT
Estate of HARVEY L. WATSON

In the District Court of the State of Oregon for Deschutes County.

NOTICE IS HEREBY GIVEN, that the undersigned, Administrator of the estate of Harvey L. Watson, deceased, has filed his final account in the above entitled court, and that Sept. 1, 1961, at 10:00 o'clock a.m. in the Court Room of the above entitled court has been appointed by the court as the time and place for the hearing of objections thereto, if any, and the settlement thereof.

Dated and first published July 31, 1961.

Date of last publication August 21, 1961.

W. A. Grimsley,
Administrator
McKay, Panner & Johnson,
1026 Bond Street,
Bend, Oregon,
Attorneys for said estate.
201-207-213-219-C

NOTICE OF HEARING OF FINAL ACCOUNT

NOTICE IS HEREBY GIVEN that the undersigned, Opal D. Masters, Administratrix of the estate of James Harold Masters, Deceased, has filed her account for the final settlement of said estate in the District Court of the State of Oregon for Deschutes County, and that the 8th day of September, 1961 in the Courtroom of said Court in the County Courthouse in Bend, Oregon at 9:30 o'clock A. M., has been set by said Court as the time and place for hearing objections thereto, if any, and for final settlement of said estate.

Opal D. Masters,
Administratrix of the Estate of James Harold Masters, Deceased.
Lynn Moore, Attorney
134 N. 5th Street
Springfield, Oregon
Date of first publication: July 31, 1961.
201-207-213-219-225-C

NOTICE

NOTICE IS HEREBY GIVEN That a petition has been filed with the Board of Directors of the Central Oregon Irrigation District by the owner, DAVID L. CLARK, requesting a change of district boundaries, and inclusion within the district, of the following described lands, to-wit:

The Northwest Quarter of the Northwest Quarter (NW¼-NW¼) of Section Twenty-seven (27), Township Fourteen (14) South, Range Thirteen (13) East of the Willamette Meridian.

The Board of Directors of the District will sit in regular session on September 6, 1961, at 1:00 p.m. for the regular transaction of district business and will hear and consider complaints or objections from interested parties as to the inclusion of such lands, or the granting of said petition, as requested.

MANAGEMENT OPPORTUNITIES!

Large Mid-West woodwork manufacturer, expanding facilities, has exceptional opportunities for qualified men, preferably under age 45, in the following areas:

FACTORY MANAGER — Must have good administrative ability, good knowledge of cost controls, plant layout, methods and equipment. Background in wood window and door production would be very beneficial.

CHIEF INDUSTRIAL ENGINEER — Requires I.E. or M.E. Degree and at least 5 years supervisory experience. Will be responsible for all factory engineering functions. Must be capable of analysing production operations and evaluating and prescribing improved methods and equipment. Good knowledge of standards controls and MTM essential.

METHODS AND STANDARDS SUPERVISOR — Requires I.E. or M.E. Degree and 3 to 5 years supervisory experience in establishing incentive standards and controls, standards data, methods and good understanding of MTM required. Woodworking background helpful.

STANDARDS & METHODS ENGINEERS — Requires at least 2 - 3 years' experience preferably with I.E. or M.E. Degree, to set incentive standards, develop standards data and do some methods work. Understanding of MTM and woodworking background helpful.

PROJECT ENGINEER — Requires M. E. Degree and at least 3-5 years' experience in planning, layout and methods. Experience in material handling, warehousing, and packaging especially desirable.

All replies held in strict confidence. Send complete resume and salary requirements to The Bend Bulletin, Box 821-A.
