Red subversion charges made

LOS ANGELES (UPI) — Rep. James F. Battin, R-Mont., Monday charged there is active Communist subversion in the State Department.

He made the statement during a "Project Alert" conference being held at the Ambassador Hotel.

"I don't think Communist subversion in our State Department has ever stopped," he said.

"People in the State Department have no qualms about supporting Communist governments with financial assistance. This is not in our best interest."

The Montana Republican charged aid to Communist countries represented actual subversion in high places as well as bad judgment.

He pointed out that some legislators requested an investigation of the State Department following the Cuban invasions. Battin said the requests were ignored.

"Project Alert", a five-day anti-Communist rally, is sponsored by the Navy League and Marine Corps League in cooperation with the American Security Council.

Battin, 36, is serving his first term in Washington. He is a major in the Air Force Reserve.

12 counterfeit $20 bills show up in Oregon

PORTLAND (UPI)—The Secret Service reported Monday that 12 counterfeit $20 bills have shown up in four Oregon cities within the last week.

Authorities said the bills have been recovered at Klamath Falls, Eugene, Salem and Portland. A Salem bank turned up one of the bogus bills Monday. Police at Salem said the bill was passed in a Salem store several days ago.

A Secret Service spokesman said the note, which was drawn on the Federal Reserve Bank in New York, has been quite active on the East Coast and that this is the first time it has shown in the West.

The major defects of the counterfeit bills are that the portrait of Andrew Jackson is very dark and the shading lines are too heavy and ragged. The serial numbers on the bill are similar in style to the genuine except that the line formation is thin and irregular.

Agent Frank Kinney added that on the back of the note the shading lines in the background to the words "The White House" are missing entirely.

Turkey hunter shot in leg

WARREN Pa. (UPI)—A turkey hunter was shot in the leg here Monday while playing a recording of a turkey call which another hunter took for the real thing.

Wounded, but not seriously, was Chester I. Alexanderowicz, 31, Erie, Pa., who was in good condition in a hospital.

He was shot by Don Albaugh, 31, Larendon, Pa. Authorities said Alexanderowicz was in dense woods while playing the call, and Albaugh fired thinking it was a turkey. No charges have been pressed against Albaugh.

NATIONAL FOREST TIMBER FOR SALE

Oral auction bids will be received by the Regional Forester, or his authorized representative at the office of the Forest Supervisor, Post Office Building, Bend, Oregon, beginning at 2:00 P.M., December 21, 1961, for all merchantable timber marked or designated for cutting on an area embracing 16,250 acres, more or less, within Sections 25, 26, 35 and 36, T. 25 S., R. 8 E., sections 30, 31 and 32, T. 25 S., R. 9 E., sections 16, 21, 28 and 33, T. 26 S., R. 8 E., section 6, T. 26 S., R. 9 E., sections 1, 2, 3, 4, T. 27 S., R. 8 E., W.M., surveyed, and sections 1, 2, 3, 10, 11, 12, 13, 14, 15, 22, 23, 24, 25, 26, 27, 34, 35 and 36, T. 26 S., R. 8 E., W.M., unsurveyed, in the Deschutes National forest, Oregon. The estimated volumes of live and recently dead (sound sapwood) timber are: 24,300 M board feet of ponderosa pine and western white pine, 1,800 M board feet of sugar pine, 2,200 M board feet of lodgepole pine, 2,400 M board feet of Shasta red fir and other species. The minimum acceptable bid per M board feet is as follows: ponderosa pine and western white pine, $17.50, sugar pine, $13.70, lodgepole pine, $6.05, Shasta red fir and other species, $4.20. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $11.65 base rate plus an additional $4.65 for ponderosa pine and western white pine, $8.95 base rate plus an additional $3.55 for sugar pine, $2.00 base rate plus an additional $2.85 for lodgepole pine, $3.00 base rate plus an additional $0.00 for Shasta red fir and other species, and $1.20 for slash disposal for all species. In addition there is within the sale area an unestimated volume of older dead (unsound sapwood) logs, all species, which will be paid for at $1.00 per M board feet which includes required deposit for sale area betterment plus $0.00 for slash disposal. The prices bid for stumpage for live and recently dead (sound sapwood) timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indices, as calculated by the Forest Service at the end of each calendar quarter, and the following base indices: ponderosa pine and western white pine, 83.76, sugar pine, 105.22, lodgepole pine, 83.76, Shasta red fir and other species, 58.66 (low) 61.92 (high). For those species having double base indices, the high index shall be the base index for upward adjustment of stumpage rates and the low index shall be the base index for downward adjustment of stumpage rates. Such adjustments in the price for stumpage shall be applicable to timber scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the adjusted stumpage rates for each quarter be less than the base rates as stated above. Sealed bids will be publicly opened and posted, at the Forest Supervisor's office, Bend, Oregon, at 2:00 P.M. on December 21, 1961. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $15,000.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Crescent, Oregon, or the Forest Supervisor, Bend, Oregon, or the Regional Forester, Portland, Oregon, before bids are submitted.
