Spring vacation is planned for Alfalfa school children

Special to The Bulletin

ALFALFA — Spring vacation at Alfalfa Grade School will begin March 9, with classes to reconvene on Monday, March 19.

Last week the rooms had separate valentine parties. The upper grade students surprised their teacher, Mrs. Marshall Swearingen, with a heart-shaped box of chocolates and decorated heart-shaped cakes. The cakes were brought to the schoolhouse earlier by Mrs. John Parton.

Students in grades five through eight showed the progression of work in the language arts, science, music, arithmetic, art and social studies areas, at the "Lights on for Education" program last Thursday.

The teachers, Mrs. Blanche Trent and Mrs. Swearingen, were introduced by Don Miltenberger, chairman of the school board. Mrs. Clyde Carlson outlined the

school lunch program which is under the supervision of Mrs. Marvin Chesebro. Marvin Chesebro spoke on his duties as bus driver. After the program, wives of school board members served refreshments.

To Serve Dinner

Alfalfa Home Economics Club members are completing plans for the spaghetti dinner Friday, March 2, at the Alfalfa Grange Hall. Serving will be from 7 to 8:30 p.m. Tickets will be \$1.25 for adults and 50 cents for school children, with pre-school children to be admitted free of charge.

The upper grade students of the school will present a program, and the primary pupils will have a fish pond to raise money for their school fund.

In a real estate transaction completed last week, Mr. and Mrs. Lester Wick became new owners of the Clifford Dickson farm in Powell Butte. It will be operated by Mr. and Mrs. Eric Sonnerberg and son, Peter, formerly of San Diego, Calif., and now of Bend. The Wicks will operate the Earl Byrom farm this year.

Grange Meets

Mr. and Mrs. Raymond Garcia and Mr. and Mrs. Vernon Cusick were voted in as members of the Alfalfa Grange at a meeting Friday evening. Clyde Carlson presented Marvin Chesebro a past master's pin.

U.S. cautioned against speedy steel accord

PITTSBURGH (UPI)—The two top negotiators in the steel contract talks cautioned the nation against undue optimism over hopes for a speedy settlement.

"...We have just gotten into the difficult matters in the area of economic settlement," United Steelworkers President David J. McDonald and industry negotiator R. Conrad Cooper said following Tuesday's session.

"Because these matters are so tremendously involved, we are fully aware of the fact that there are no quick, easy or automatic solutions. They can be arrived at only through the serious, responsible collective bargaining we are conducting here," they said in a joint statement.

The two repeated their earlier hope that an agreement would be reached before March 1, "and we do intend to continue to press with all our might toward that goal."

The talks began here last Wednesday, 4½ months before the present contract expires June 30. It covers more than 430,000 workers in the basic steel industry.

REPUBLICAN ELECTED

CHARLESTON, S.C. (UPI)—Republican G. Fred Worsham, 52, swept to victory Tuesday in a special election to fill a vacancy in the South Carolina House. Worsham is the second Republican to be elected to the legislature since Reconstruction, joining GOP Rep. Charles E. Boineau who broke the ice last August.
