## Opposition due for Ted Kennedy

BOSTON (UPI)—Atty. Gen. Edward J. McCormack Jr. announced Monday he is a candidate for the Democratic nomination for U.S. senator, signalling a head-on clash with the Kennedy family.

"It is vital to the commonwealth that its next senator be a man who has had wide and intensive experience with the problems of the state and its people," McCormack told a news conference.

It was an obvious attack on the political inexperience of Edward M. (Ted) Kennedy, the President's youngest brother, who has never run for political office.

"He must also be a man whose education, training and accomplishment in public service give assurance that he will bring a mature and experienced judgment to problems of national and international affairs," McCormack said.

McCormack, 38, a nephew of House Speaker John W. McCormack, D-Mass., is expected to face Edward Kennedy, who has just turned 39 in the Democratic convention next June. Kennedy was expected to announce his candidacy later this month.

The Senate seat at stake this year is the one vacated by then Sen. John F. Kennedy in 1960 after his election as president. Two years remain of Kennedy's term.

## LAND WANTED

**Raw and undeveloped land** wanted. Sage brush land, juniper land, high desert land, O.K. But must be fairly level, on or near good road or highway. 1000 acres, 640, or 320 acres. Suitable for recreational sites. Not farms. No mountain sides. I have operated this type of land business in this area for several years with no known complaints and don't expect any as my tracts are not misrepresented. I bring hundreds of people here with my advertising who like what they see. Many buy from me and some repeat in each new tract. Some who come buy from others, desiring improvements, perhaps. I will never knowingly misrepresent anything to anybody, or knowingly harm any person. I have purchased hundreds of acres here from the County, from the State and from private individuals through their brokers and PAID FOR EVERY ACRE. I am not a big high powered operator and can not afford expensive promotional campaigns, so I save my purchasers this added expense. Everyone purchases upon my individual representation, put down on paper in black and white. The adverse statements made by some regarding Central Oregon land sales are not true as far as my activities are concerned, I'm spending a few weeks here this winter. Write me, Manning Barber, 4352 Mt. Henry Ave., San Diego 17, Calif. I'll be back in Bend soon and look over the properties you wish to sell. I'd like to hear from brokers, too.
