#### Behan flees hospital for nearest pub

DUBLIN (UPI) - Playwright Brendan Behan scorned his doctor's advice Saturday rushed from his hospital bed to the nearest pub and announced: "nothing wrong with me."

Behan discharged himself from the hospital where he was taken Friday night suffering from a dia-

The burly author scoffed at his doctor's advice to steer clear of alcoholic beverages. In the pub near the hospital, Behan said, "Tell everyone I'm feeling fine." The 39-year-old author of the play "The Hostage" and other books and plays has not been drinking for some time. His wife Beatrice, said Behan

had been working hard lately. "I think he probably was overdoing it at bit." she added. Behan was taken ill in a car

Friday in one of the city's busiest streets and taken to Jervis Street A hospital spokesman said he

insisted upon being discharged.
"He made it quite definite he would not remain here," the

eral Dynamics Corp. It is 410 feet long and carries 16 tubes to launch missiles toward targets more than 1,500 miles away.

Earlier last week, the SSB Sam Houston, a twin of the Edison. was commissioned at Newport News, Va. Both subs are identical copies of the lead ship in this class, Ethan Allen, which went in-

to service here last August. Assuming command of the Edison at the commissioning were Capt, Charles M. Young of Coronado, Calif., and Cmdr. Walter Dedrick of Vallejo, Calif., who will skipper the alternating crews of 100 men each.

insisted upon being discharged.
"He made it quite definite he would not remain here," the spokesman said.

Naval officer

Says U.S. still

Cominates seas

GROTON, Conn. (UPI)— Adm. Claude V. Ricketts, vice chief of Naval Operations, said Saturday the Unites States dominates the seas but must maintain that superiority to "respond quickly and effectively to any milliarily aggressive move by a potential enemy." Ricketts, principal speaker at the commissioning of the Polaris class missile-firing nuclear submarine Thornas A. Edison, said that a major objective of the Navy was "to use the oceans as a base for striking an enemy who would be foolhardy enough to at tack us...

"By moving a major portion of the U.S. striking power to the oceans we transfer away from population centers a major offensive power that an enemy must either ignore or put forth a major effort to destroy."

The Edison, the Navy's cighth Polaris sub, became part of the Edison, the Navy was "to use the creamout at the clear of the City of Band and the striking and the service of the City of Band and the striking of the Polaris of the U.S. striking power to the oceans we transfer away from population centers a major offensive power that an enemy must either ignore or put forth a major effort to destroy."

The Edison, the Navy's cighth Polaris sub, became part of the Edison of the sampointed by the collection of th
