Dope charges faced by three

Three men from Tacoma, Wash., remained in custody at the Deschutes county jail this morning, unable to raise \$10,000 bail apiece on narcotics possession charges. In the past few weeks, the three have posted a total of \$30,000 in bail in other cities.

Arraigned Wednesday afternoon before Judge Joe Thalhofer in Deschutes County District Court were Raphael Anglius Fernandez, 34; Gerald Seymour Galler, 26; and Pheron Grant Wells, 23. They were returned here from Eugene by Bob Young and Melvin Newhouse, deputy sheriffs.

The men were arrested here last week for burglary on warrants from Lane county. They are accused of stealing narcotics in Eugene. After they posted \$5,000 bail apiece in Eugene, they were returned here to face narcotics possession charges. Earlier, they had posted \$5,000 apiece for charges in Vancouver.

Two other men were arrested by sheriff's officers Wednesday. Charlie Augusta Bailey, 57, Bend, was picked up Wednesday noon on a warrant from Union county, charging failure to support a minor child.

Harmon Ray Abbott, 40, of Vallejo, Calif., was brought here yesterday from Portland, on a felony warrant issued in 1953. Abbott is to be arraigned on a charge of issuing a bank check with insufficient funds to cover it. Deputy Robert V. Young went to Portland to pick him up.

New parking meters studied

Special to The Bulletin
PRINEVILLE — Prineville motorists may see a new type of parking meter in at least part of the downtown area in the near future, according to a development at the March meeting of the city council.

Councilmen were told of the advantages of a manually operated meter by a salesman who demonstrated his product at some length. The salesman stated he had been notified of a possible need to replace a number of meters in Prineville.

An offer was made to the council for the installation of 30 or 40 of the new type of meter for a three to four-month period at no cost to the city. At the end of that time, the council would have the option of purchase or return of the meters. It was stated.

The subject being new to some members of the council, the matter was assigned to the police committee for study and recommendation, at a later date.

City recreation program offered

Special to The Bulletin
PRINEVILLE — Dennis Huntley, newly appointed city recreation director, presented an approximate recreation budget and tentative program for the coming season, to the city council Tuesday evening.

In the principal portion of the program he listed baseball and swimming, with tennis, badminton, girls' soft ball, volleyball, baton twirling classes and junior miss dress-up days in the secondary part of the program.

Huntley said Jim Mulvahill had been retained as adult assistant in the baseball program, with Mike Love and Gene Wheeler as junior assistants. Mulvahill is Crook county high school baseball coach.

The aim, he said, would be to provide a better program both for the teams of youngsters and for spectators. He outlined an improved program in considerable detail.

In the swimming pool program, Huntley listed personnel of manager, two WSI guards, two senior lifesaving guards and a cashier. Positions have not been filled, he said.

Personnel cost for the swimming pool was tentatively listed at \$4200 for the season and at \$1633.75 for the baseball staff.
