## Suspense film due for Grace

HOLLYWOOD (UPI)—Princess Grace of Monaco will return to Hollywood in late summer to resume her movie career in a thriller directed by Alfred Hitchcock and based on the suspense novel "Marnie" by English writer Winston Graham.

The American-born princess, the former Grace Kelly, will be accompanied by her husband, Prince Rainier, and their two children, Princess Caroline and Prince Albert Alexander, when she returns to Hollywood to make the picture during her summer vacation.
