Mother battles to have Benny buried in Cuba

NEW YORK (UPI)-A family tug of war with political implica-tions broke out today over the remains of boxer Benny (Kid) Pa-ret, who died Tuesday from injuries suffered in a welterweight title fight March 24.

While the Kid's widow Lucy maintained that he definitely will be buried in Miami, Fla., on Friday, Paret's mother, Mrs. Maxima Crespo, hoped that she could take the body back to Santa Clara, Cuba for burial there. Adding to the family squabble was the revelation by Manager Man-uel Alfaro that Paret had once told him he wanted to be buried in Cuba, despite his hatred for Premier Fidel Castro.

Mrs. Paret said that Benny's body "will never go back to Cuba as long as Cuba is ruled by that man. My husband will be buried in Miami where I can visit his

Mrs. Crespo, who was flown here last week but never had a chance to speak to her stricken son because he remained in a coma from the time of his knock out by Emile Griffith on March 24 until his death early Tuesday, had an emotional, tear-stained ar gument with Mrs. Paret shortly after Paret's death at Roosevelt Hospital. Although she restrained herself at the funeral parlor Tues-day night, a friend of the family said that the "decision is far from over," indicating that Mrs. Cres-po will make another try at hav-

ing Benny's body shipped to Cuba.

An attendant at the hospital said that Mrs. Crespo told her daughter-in-law Castro planned to give the boxer a huge state fu neral in the event he died and his body was brought back to Havana for burial
