

Brown vs. Ortiz

'Grudge battle' on

LAS VEGAS, Nev. (UPI)—Lightweight champion Joe Brown and challenger Carlos Ortiz clash tonight in a 15-round title bout billed as a grudge battle for which the Nevada Athletic Commission has taken some safeguards to protect the fighters from permanent injury.

The commission decided Friday that the mandatory eight-count rule will apply — meaning that a knocked-down fighter must take eight before the fighting is resumed.

This is the first time in Nevada boxing history that the mandatory eight-count has not been waived for a title fight, according to commission Chairman Jim Deskin.

Commission Secretary Jack Tighe said it was a "safety precaution" prompted by the furor over the death of Benny (Kid) Paret after he was knocked out by Emile Griffith in a welterweight title fight in New York last month.

The commission, however, did not invoke the three-knockdown rule. This rule, which will not apply, ends a fight if a boxer goes down three times in one round.

The fight between the 25-year-old Ortiz, who claims the champ has been avoiding him for three years, and 35-year-old Brown will be televised nationally (ABC-TV).

Brown is guaranteed \$50,000 or has the option of taking 40 percent of the combined gate and the television money which is \$60,000. Ortiz gets a flat guarantee of \$17,500.

The challenger has been sound-

ing off about the champion, charging among other things that Brown stalls for most of a round and then fights in a flurry for the last 30 seconds to catch the eyes of the officials.

The champion has not bothered to reply but his trainer Bill Gore says, "Ortiz is a little mouthy."

This is Brown's 12th title defense since he won the lightweight crown from Wallace Smith at New Orleans in August of 1956.

Brown has had 113 fights, winning 83 of them. He has scored 38 knockouts and is rated a harder hitter than Ortiz. Ortiz has had 35 fights, winning 30 of them. He lost four and had one no-decision.

The title fight was originally scheduled for Feb. 24 but was postponed because Brown came down with tonsillitis.

Safety rules for boxers emphasized

NEW YORK (UPI)—The National Boxing Association told member states and boxing commissions today that under no circumstances shall locally established safety rules be relaxed for championship bouts.

The NBA said that the tragic consequences of the recent Emile Griffith-Benny (Kid) Paret welterweight title fight made it imperative to remind members of regulation 15 of the world championship rules which read in part:

"No rule in effect for the safety of boxers within the jurisdiction where a world championship contest shall take place shall be waived in the conduct of such contest."

"There has existed in boxing a traditional, illogical, almost barbaric tendency, shared by no other popular sport, to 'dress up' championship bouts as spectacles by waiving such sane, humane precautions as the mandatory eight-count, the three knockdown rule, and the weight of gloves as adopted in most enlightened jurisdictions," said Paul G. Sullivan, chairman of the NBA championship committee.

Sullivan said that in the waiving of safety rules "there is a visible, if tacit, tendency to allow championship bouts to continue beyond the point of unavoidable danger to contestants." He added that he has referred to two instances of apparent violation of regulation 15 to the NBA Executive Committee.

Army snafu dims hopes

WASHINGTON (UPI)—A second look at Army regulations may end hopes of 20 major league baseball players to get back on the diamond next month.

Earlier, the Army had said the recalled players might be discharged in May. But Friday an Army spokesman said they may have to stay until June or July.

The snafu arose over interpretation of any Army regulation allowing the release of reservists 90 days ahead of time if they are in seasonable occupations.

The spokesman said the 90-day early release must date from the expiration of the anticipated duty terms (October) rather than the new overall service termination announced by the President (August).

Both contests were halted under the 10 runs ahead after five innings.

Because of the shortened contests, the Panthers were able to get home by midnight instead of the usual 2:30 or 3 a.m. — about the only bright spot in an otherwise dismal evening.

Indians Win in Fifth

In the first game The Dalles led 3-0 going into the bottom of the fifth, then began to pound Redmond starter Al Ferguson.

With six more runs across, The Dalles led 9-0. Redmond Coach Buck Kauffman replaced Ferguson with Brian Massey, who promptly gave up a single and two more runs — as the Indians cinched their 11-0 win.

Don Watrous got the only Redmond hit, a long triple in the fourth inning. It was Redmond's only threat and it died when The Dalles' Paul Duns set the next three Cats down in order.

Bruins beat Madras 7-3; two today

The Bend High baseball team defeated Madras 7-3 here Friday afternoon in a non-counting contest that featured a two-run homer by Bend catcher Val Lewis in the fifth inning.

Lewis' blast over the left-center field fence, coupled with a three-run Bruin uprising in the second, was more than enough to beat Madras, with Bend adding solo runs in the first and sixth innings.

Bend, tied 1-1 with Madras going into the bottom of the second, combined a hit batter, a Madras error and three singles to go ahead 4-1.

Madras added two more in the top of the third to close it to 4-3, with Bend pulling farther ahead again on Lewis' homer.

The Bruins managed seven hits off Madras pitcher Bob West, with Don Underwood, Kurt Larson, Jan Bowlin, Mike Clark, Jim Matson and Dave Shelton getting one single apiece.

Betzer, West, Stewart, D. Surrat, Maxwell and Rogers singled for Madras.

Bend got back into western sub-district play this afternoon at Prineville with a double bill starting at 12:30 p.m.

Mouth guard fittings slated

All Bend boys who wish to play tackle football in either the senior high or junior high programs next fall are reminded that they must register for mouth protectors next Monday or Tuesday afternoon.

Mouth protectors are required equipment in the 1962 high school football rule book, with Bend dentists cooperating in taking impressions Wednesday and Friday evenings at the clinic south of Alen School between Third and Fourth on Franklin.

The schedule will be established in alphabetical order. Athletic director Dick Geser said officials hope to handle 125 boys Wednesday and another 125 Friday.

Boys will be charged \$1.25 to pay for cost of materials in the impressions and mouth protectors. This fee is payable when they get their impression. Local dentists are donating their services for the project.

Rule 1, section 5, article 1 of the 1962 football rule book reads as follows:

"Each player shall wear an intra-oral mouth and tooth protector which includes both an occlusal and labial portion. (Occlusal protection designed against blows to the lower jaw that could cause concussions as well as chipped teeth. Labial protection is protection to the lips.)"

NBA to discuss Warrior shift

NEW YORK (UPI)—The proposed shift of the Philadelphia Warriors to San Francisco will be discussed at the National Basketball Association's annual spring meeting in New York, starting April 24.

Although NBA President Maurice Podoloff declined today to speculate on the Philadelphia-to-San Francisco shift, it was well known that this would come up for a vote at the meeting.

Also to be taken care of is the 1962-63 schedule, any suggested rule changes and the annual financial report.

Warriors owner Eddie Gottlieb has received an offer reported to be \$850,000 to sell the franchise to San Francisco interests. Such a deal would require the approval of the majority of the owners.

COUGARS WALLOP PILOTS

PULLMAN, Wash. (UPI)—Washington States Cougars scored 10 runs in the opening three innings and went on to wallop the Portland Pilots 18-5 in college baseball action here Friday.

Ron Langhans and Craig Heinger hit home runs for the Cougars and Steve Anstett homered for the Pilots.
