

City recreation schedule

TUESDAY
 9:00 - 11:30 A.M.: Playground activities at Harmon and Allen
 1:00 - 4:30 P.M.: Playground activities at Harmon and Allen
 1:00 - 9:00 P.M.: Municipal pool is open to public.
 6:00 - 7:00 P.M.: Junior Life Saving at Bend Municipal Pool

WEDNESDAY
 9:00 - 11:30 A.M.: Playground activities at Harmon and Allen.
 1:00 - 4:30 P.M.: Playground activities at Harmon and Allen.
 12:00 - 4:00 P.M.: Golden Age Club meeting - E. 5th & Glenwood Dr.
 1:00 - 9:00 P.M.: Municipal pool is open to public.
 6:00 - 7:00 P.M.: Junior life saving classes at Bend Municipal Pool.

Redskins still patsies despite winter trading

This is the fourth in a series of the pre-season prospects of professional football teams for the 1962 season.

By Robert J. Sterling
 UPI Staff Writer

WASHINGTON (UPI) — It has been observed that the last time the Redskins looked good was the day Custer got scalped.

This is not quite fair to the National Football League's tribe of redmen — the Redskins from Washington, D.C. But to the faithful fans of the nation's capital, it does seem almost that long since their beloved Braves were a contender.

The 1962 season does not appear to be the year of a major Redskins comeback. This is the sad fact despite a winter of trading, hole-plugging and overhauling by coach Bill McPeak who is merely hopeful and not overly optimistic.

"We should be improved but we still have a lot of work to do before we find out how much," says McPeak.

This is a fair statement. The Redskins SHOULD improve, if only that it's almost impossible for them to be any worse than they were last year—with only one victory and a tie to show in 14 games and last place finish in the NFL's Eastern Division.

Wide Good Defensive Line
 In a nutshell, this is how the Tribe shapes up for the new campaign:

—Good defensive line, with a major linebacking problem and too many question marks in the secondary.

—An improved offense with greater overall speed thanks to the addition of halfbacks Bobby Mitchell and Billy Barnes, but still no outstanding ends.

—An apparent weakness at fullback, where the Skins have only a brittle Don Bosseler and Rookie Ron Hatcher from Michigan State.

—A fair offensive line which still could use a good tackle, which must rely on an experienced center in sophomore Fred Hageman, and which is anchored mainly around two fine guards in Vince Fomuto and John Nisby.

—A potentially great but still unproven quarterback in Norman Snead, who took his lumps in last year's rookie season, plus newcomer Galen Hall of Kansas State who could be the NFL's sleeper of the year.

Plugs Hole With Paluck
 On defense, McPeak's biggest headache is the middle linebacking position. He has shifted defensive end John Paluck to that spot and will rely on veteran Gene Crain to fill Paluck's shoes up front.

The secondary looks improved thanks to safetyman Bobby Freeman, obtained from Philadelphia, but it still is not a solid, experienced unit and McPeak may try out a half dozen combinations before the season opens. As of now, the Redskins appear to be almost as vulnerable to the "bomb" as they were during the weekly air raids of '61.

It is the offense which McPeak has the greatest hopes that the 1962 Redskins will be more like Apaches than patsies. Mitchell supplies them with speed and a tv in running and pass-catching threat.

Barnes, an ex-Eagle, supplies the ground power the Skins lacked in 1961 to such an extent that McPeak frankly admitted "we were the easiest team in the league to defense."

Solons bomb Bevos 7-4

PORTLAND (UPI) — Washington may be last in the American League, but the Senators are leading Bob Colligan's hate list.

The major leaguers stopped off here Monday night just long enough to bomb Colligan for two homers and six runs and take a 7-4 exhibition decision from the Portland Beavers.

A crowd of 4,000 watched at Multnomah Stadium as Don Lock ripped a two-run homer and Chuck Hinton followed with a grand slam off Colligan in the fifth inning. Bob Schmidt hit a solo homer off Glenn McMan in the sixth for the other Washington run.

Colligan, who has been sidelined with a sore arm much of the season, took the loss after starter Mickey Lolich pitched three shutout innings.

While Washington's hitting was impressive, its defense was charged with four errors and let in three unearned runs. The Beavers didn't score an earned run until the ninth inning when they tagged ex-Portland pitcher Marty Kutyna for a run.

Starter Bennie Daniels, who worked seven innings, got the victory.

Wills after NL stealing mark

CINCINNATI (UPI) — It's official, Maury Wills is going for all the stolen base records he can get.

The speedy Los Angeles Dodger shortstop admitted as much after stealing six bases in six attempts in the four-game series with the Cincinnati Reds to raise his total for the season to 67, tying a club record.

"Yes, I'm going for all the records now," he said Monday. "I guess it has been on my mind since our series in San Francisco last week."

In the series with the Giants, Wills was ejected from one game and subsequently fined for objecting to umpires that the Candlestick Park grounds crew had deliberately watered down the infield to such an extent that stealing was almost impossible.

Maury is still angry about the quagmire which so slowed him and his teammates throughout the three contests with the Giants at the lost all three. He didn't even attempt one steal.

But the 5-10, 160-pounder with the muscular legs is looking ahead now to the last 36 games of the current campaign in which he hopes to steal at least 16 more times and top Bescher's long-standing National League mark of 90 set in 1911. Ty Cobb's major league record of 96 seems to be out of reach — this year, at least.

Wills is also a better than average glove man and a good (225) hitter. He is almost certain to be one of the top vote-getters when it comes time for the Most Valuable Player balloting after the season.

But right now he is more concerned about Bescher's record — and helping the Dodgers win the pennant.

PAUL LOWE INJURED
 SAN DIEGO (UPI) — Former Oregon State halfback Paul Lowe will be out of action 8 to 12 weeks as a result of a broken arm suffered in an exhibition game, the San Diego Chargers announced Monday.

Lowe was injured in Saturday night's 31-24 exhibition victory over the Denver Broncos here.

Brown to start comeback trail against Molina

NEW YORK (UPI) — Joe Brown, 35, will start his comeback to recapture the world lightweight championship Friday night in a 10-round fight with young Louis Molina in the latter's hometown, San Jose, Calif.

Their bout will not be televised. However, on Saturday night, the return 10-rounder between young middleweights Joey Archer of New York and Jose Gonzalez of Puerto Rico at Madison Square Garden will be televised nationally by ABC.

Jorge Fernandez of Argentina, fourth-ranked welterweight contender, opens his drive for a shot at the 147-pound crown Tuesday night in a 10-rounder with John Torres of Paterson, N.J., at New Bedford, Mass.

In Friday's Brown-Molina fight at San Jose, Brown of Boston Heights, La., will be making his first start since he lost the 136-pound title to Carlos Ortiz of New York on a unanimous decision at Las Vegas, Nov. 4, 1961, in his 12th defense.

Molina, 25, has suffered only one defeat in 22 professional bouts. He dropped an upset decision to former challenger Henry Lazo, NBA top contender, at San Jose on April 14.

In Saturday's TV middleweight fight at the garden, rangy, 24-year-old Archer of New York is seeking an avenging victory over 22-year-old Gonzalez, the only man who ever beat him.

Gonzalez won an upset split decision over Archer at the garden on June 23 and broke Joey's string of 39 straight victories. However, it was Archer's first fight after a 16-month lay-off because of an injured knee. Archer was favored at 2-5 odds, but Gonzalez was on a 6-4, 6-4, 4-2 vote. The referee favored Archer.

This week's major fights:

Tuesday: Beaumont, Tex. — Ralph Dupps vs. Billy Compton; New Bedford, Mass. — Jorge Fernandez vs. John Torres; Albuquerque, N.M. — Curtis Coles vs. Joey Limas; Houston, Tex. — Rip Randall vs. Guy Swulin.

Wednesday: Near scheduled.

Thursday: Erie, Pa. — Johnny Bizzaro vs. Pauley Beal.

Friday: San Jose, Calif. — Joe Brown vs. Luis Molina; Paterson, N.J. — Don McAtee vs. Ernie Rhodes; Los Angeles — Eddie Machen vs. Egeest Terrell.

Burdg wins men's title

Don Burdug wound up Bend men's tennis champion in the recent city tourney conducted at the junior high courts.

Burdug whipped John Edson 6-2, 6-1, 6-1, and then teamed up with Ken Kay to beat Tom Hutchinson Jr. and Tom Hutchinson Sr. 6-1, 6-1, 6-1 in doubles play.

Hillary Hutchinson won the women's singles by beating LaVerne Payne 6-4, 6-2.

In senior high girls competition Linda Middleton beat Alyce Hutchinson 6-4, 2-6, 6-4. Ann Hatch is the new junior high girls champ, beating Melanie Dornby 6-2, 6-0.

Shirley Ramsay is the girls four-through-sixth grade champ, having whipped Mary Rose Hutchinson 6-0, 6-1.

In beginners play Phil Prodel beat sister Donna Prodel 6-1, 6-1. Tom Hutchinson Jr. won the senior high boys title by edging Mike Mortlock 6-8, 6-2, 6-2.

Alyce and Tom Hutchinson teamed up to beat Bob Shoemaker and Mike Mortlock 6-8, 6-3, 6-0 in mixed doubles play.

More than 70 competed in the tourney.

YANKS DROP RACE
 OSLO (UPI) — The Norwegian Royal Yacht Club took the first four places Monday in competition against a group of Long Island, N.Y., yachtsmen. Richard M. Cykes of the Manhasset, N.Y., club gained fifth place in the race.

Football time near in Bend

Football time is just around the corner for Bend High athletes.

Coach Tom Winbigger announced today that juniors and seniors should check out equipment Thursday, August 23, between noon and 5 p.m. at the high school.

Sophomores will get their equipment from 12 to 5 p.m. Friday, August 24, at the high school.

A team meeting has been scheduled for 7 p.m. Saturday, August 25, at the high school. Time and date for physical exams will be announced later.

Winbigger urged any boys who have moved into this area during the summer to contact him at home if interested in playing football this year, and encourages all sophomores, juniors and seniors to report for their equipment.

Lettermen back this year are end Dave Shelton, tackles Lee Cottingham and Harvey Hillis, guard Harvey Freeman, quarterback Bobby Warrington and halfbacks Bill Tye and Jim Leungfeld.

These boys form the nucleus of this year's squad, but Winbigger also has some good talent coming up from last year's junior varsity team.

Several good players saw varsity action and almost made their letter.

Practice will start Monday with daily doubles for two weeks — 9:30 to 11:30 a.m. and 4:30 to 6:30 p.m.

DUCKS BLANK CONTINENTAL
 PORTLAND (UPI) — The Eugene Ducks blanked Ray's Continentals, 2-0, Monday night and Archer Blower followed with a 1-0 win over Camas in State AAUC tournament action here.

'Coyote getters' in use here on limited scale

"Coyote getters" are being used in Central Oregon on a limited scale, but every precaution is being taken to warn the public of the danger of touching the poisoned cartridges.

Darrell Gretz, Bend, assistant district agent for the Bureau of Sports Fisheries and Wildlife, made this announcement in commenting on an editorial from the Lakeview Examiner that appeared in The Bulletin. The Lakeview editorial said that at least three persons had been injured near Lakeview by the device known as "coyote getters."

The "getters" consist of a cyanide cartridge mounted on top of a short metal bar driven into the ground. Tempted by a lure, coyotes pull off the top of the cartridge, and receive a charge of cyanide in the mouth.

Gretz said use of the coyote getters is restricted to private property, after signed permission has been obtained. Exceptions are made only when the getters are used on an emergency basis.

Individual plastic site signs are attached to the getters or fastened in the immediate vicinity. These black and white signs read: "Coyote getter. Explosive. Do not touch."

Also posted are signs warning that poisoned cartridges are in the area, and that the cartridges are dangerous and hold deadly cyanide.

In eastern Oregon, Gretz noted, coyote getters must not be placed on forest lands or other potential recreation areas from the beginning of the fishing season through the big game season.

Gretz said he would visit Lakeview to ascertain the circumstances attending the reported injury to persons in that area.

White elephant day scheduled

Special to The Bulletin

PRINEVILLE — It will be white elephant day Wednesday at the Prineville Golf and Country Club for women of the auxiliary.

Each golfer is to bring a gift-wrapped white elephant, and is also asked by the committee to complete her golf game by 1 p.m., in order to be in the club dining room at that time.

The day being a no-hostess day, each member is asked to bring her own lunch, and those who can do so are asked to plan to stay for a work party during the afternoon. A considerable amount of cleaning in the clubhouse is being planned.

ORIOLES GET PITCHER

BALTIMORE (UPI) — Pitcher John Papa, released from the Agony Aug. 3, will join the Baltimore Orioles immediately.

How Super Shell's 9 ingredients can give cars top performance

POWER INGREDIENT in Super Shell works for world champion driver Phil Hill (above, in Ferrari racer). Hill, first American to win the World Championship for Drivers, relies on Super Shell. One important reason: power. Today's Super Shell contains "cat-cracked" gasoline—a power ingredient made by cracking heavier petroleum molecules into lighter, livelier ones. It works to give you the power you need for top performance.

NOISE-FIGHTING INGREDIENTS in Super Shell work for a quiet engine at all speeds. Shell scientists even use a stethoscope (above) to check effect of Super Shell's anti-knock ingredients. One of these ingredients, an anti-knock mix, is so effective that a teaspoon per gallon can boost anti-knock rating five points. Alkylate, another Super Shell ingredient, is noted for controlling knock in hot engines at high speeds better than anything else yet available.

MILEAGE INGREDIENT in Super Shell is Platformate. Shell scientists test it in many cars, many places. In a recent test in San Francisco (above), exactly 250 cc. (about half a pint) of fuel without Platformate was fed into test car. Car ran until fuel was used up, then coasted to a stop (left). Distance: 6186 feet. Test was repeated, using same blend of fuel with Platformate added. Same amount of fuel. Same car. Same conditions. In this test, Super Shell with Platformate took car 6454 feet (right), gave a mileage bonus of 4.3 percent.

TCP AND FOUR OTHER INGREDIENTS complete Super Shell's 9-ingredient blend. TCP additive can help restore power lost due to combustion deposits—can also extend spark plug life. Butaneis for quick starts. Pentane mix helps engines run smoothly during "warm-up." The gum preventive ingredient is to help keep carburetors clean inside. And, when the weather calls for it, Super Shell contains an anti-icer. That's nine ingredients in Super Shell—scientifically blended to give your car top performance.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.
