1-Legal Notice

NOTICE OF SALE

NOTICE IS HEREBY GIVEN that the undersigned, by virtue of a license to sell real property made and entered by the District Judge of Deschutes County, Oregon, on the 30th day of October, 1962, the undersigned, guardian of the estate of Eula I. Shipley, an incompetent person, will, on or after the 29th day of November, 1962, at the hour of ten o'clock in the forenoon at the office of Charles E. Boardman, 1002 Bond St., Bend, Oregon, attorney for the estate, sell at public or private sale for the highest price obtainable, for cash, the following described real property situated in the City of Bend, Deschutes County, Oregon, to-wit:

The West fifty feet of Lots Two and Three of Block Seventeen, Kenwood, City of Bend, according to the official plat thereof on file in the office of the County Clerk of said County and State.

DATED and first published this 31st day of October, 1962.

L. L. Shipley, Guardian of the estate of Eula I. Shipley, an incompetent person.

NATIONAL FOREST TIMBER FOR SALE
LITTLE ODELL AREA

Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, 745 Bond Street, Bend, Oregon, beginning at 2:00 P.M., December 21, 1962 for all merchantable timber marked or designated for cutting on an area embracing 3,925 acres, more or less, within Sections 27, 28, 29, 31, 32, 33, and 34, T. 24 S., R. 7 E., sections 3, 4, 5, and 6, T. 25 S., R. 8 E., W.M., surveyed, in the Deschutes National Forest, Oregon. The estimated volumes of live and recently dead (sound sapwood) timber are: 3,900 M board feet of ponderosa pine and western white pine, 200 M board feet of sugar pine, 100 M board feet of lodgepole pine, 1,300 M board feet of Douglas-fir, 400 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: ponderosa pine and western white pine, $19.45, sugar pine, $15.40, lodgepole pine, $1.65, Douglas-fir, $16.90, white fir and other species, $9.25. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $15.05 base rate plus an additional $3.75 for ponderosa pine and western white pine, $11.35 base rate plus an additional $3.40 for sugar pine, $1.00 base rate plus an additional $0.00 for lodgepole pine, $7.75 base rate plus an additional $8.50 for Douglas-fir, $1.00 base rate plus an additional $7.60 for white fir and other species, and $0.65 for slash disposal for all species. The stumpage rates payable for each species will be increased by the amortization rate in effect for that species when the unamortized estimated cost of the main haul roads has been amortized by timber scaled. The unamortized estimated cost is $17,977. Amortization rates are: ponderosa pine and western white pine, $4.14 per M board feet, sugar pine, $3.34 per M board feet, lodgepole pine, $0.00, Douglas fir, $3.73 per M board feet, and white fir and other species, $1.99 per M board feet. Amortization of estimated main haul road costs is computed on 80 per cent of the estimated timber volume. The purchaser may request that the contract provide for more rapid amortization of the estimated cost of roads which must be constructed before normal logging operations will be possible. In addition there is within the sale area an unestimated volume of older dead (unsound sapwood) logs, all species, which will be paid for at $1.00 per M board feet which includes required deposit for sale area betterment, plus $0.00 for slash disposal. The prices bid for stumpage for live and recently dead (sound sapwood) timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indices, as calculated by the Forest Service at the end of each calendar quarter, and the following base indices: ponderosa pine and western white pine, $4.03, sugar pine, 106.40, lodgepole pine, $4.03, Douglas-fir, 68.82, white fir and other species, 59.85. Such adjustments in the price for stumpage shall be applicable to timber scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rates for any species will not be increased above the base rate until the subsequent adjusted rates above the base rates for all species develop an accumulated total dollar value in excess of the total recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the Forest Supervisor's Office, Bend, Oregon, at 2:00 P.M. on December 21, 1962. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $6,400.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Crescent, Oregon, or the Forest Supervisor, 745 Bond Street, Bend, Oregon, before bids are submitted.
