REDMOND'S CHAMP—John Holmes, Redmond high school discus thrower, will be one of the Panthers' leading hopes Saturday when all of the area prep track and field men gather at The Dalles for the district meet. Saturday his 136' 11 1/2" throw won sub-district honors.

DOUBLE WINNER—Bill Hutton, Bend's high and low hurdler, will be a real threat in the district track meet Saturday at The Dalles. He is pictured clearing the last high hurdle Saturday before hitting the tape for first place in the sub-district meet.

## Tri-City wins 8th straight

By United Press International—Tom Swayne, Tri-City relief pitcher, got off to a bad start but finished strong in Monday night's Northwest League baseball action. Thanks to him, the Braves topped Eugene 7-4 for their eighth straight victory to move into a virtual tie with Yakima for the top spot. Wenatchee downed Salem 8-5 in the only other game scheduled.

Swayne came on in the second inning and promptly walked the first three men he faced and forced in two runs.

## Harrison, Black now in golf's Hall of Fame

LOS ALTOS (UPI) — E.J. (Dutch) Harrison of San Francisco and John Black, Los Angeles, were inducted into the California Golf Hall of Fame Monday night at ceremonies at the Los Altos Golf and Country Club.

Harrison, a member of the PGA Hall of Fame, and Black, former three-time winner of state amateur golf championships, were chosen for the honor in a poll of state golf writers.

Black was unable to attend the induction ceremony due to illness. Dick Lotz, San Leandro, the state amateur champion, was named the outstanding amateur golfer of the state for the year.

## 'Cats to be track threat in future

By Web Ruble  
Bulletin Staff Writer

Good things are in store for track and field fans in Redmond. If Redmond's surprising showing last Saturday in Bend in the sub-district track meet is at all indicative, the Redmond High School Panthers are emerging from their alleged track lull in good shape.

Redmond, historically a track power, was caught in a temporary void this year as far as material is concerned. The Panthers, however, were not without their dedicated tracksters this year.

Outside of Bend's powerhouse, Central Oregon's track picture showed Madras High School as the dominant factor. Madras was favored Saturday to take the runner-up spot in the sub-district affair. They didn't, however.

Redmond's surprising surge in points to wind up in a three-way deadlock for runner-up honors was hard earned. It ended up knotted for second with 79 points between Redmond, Madras and The Dalles.

Helping the Panthers' effort was Redmond weight man John Holmes who captured first place with a discus throw of 136' 11 1/2". He gained the Panthers 10 points on that effort.

But where the 'Cats really caught the Madras White Buffaloes, and The Dalles Indians was the batch of three places and a lone second.

Dennis Moore finished right behind Bend's Craig Usher in the broad jump. Usher won it with a leap of 20' 3", and teammate Eric Lawson was right behind him in third place. Here was 14 points more. Moore, according to the powers that be at RUHS, has not been in the sport (track and field) long. He is a sophomore and has been improving steadily throughout the year.

Lawson, a junior, has also shown some fast improvement. Small in stature, Lawson could develop into the area's best distance jumper next year along with Moore.

Holmes came right back in the shot put and captured another third place for the Panthers. He finished behind Bend's amazing Clyde Smith and Madras' strong Randy Clowers. Smith won it with a toss of 51' 1/4". It was a new meet record.

Another third place, this time in the mile run, was taken by the 'Cats' Roger Cunningham. He finished behind The Dalles' record setting Merriss and Bend's Randy Slate. Ed Sturza, Redmond's all-around athlete who has made a name for himself in football more than in track, has been hampered in his hurdle efforts this year because of a pulled muscle and bad ankles.

According to Walter Buettgenbach, Redmond athletic director, Sturza's main reason for "tracking it" this year is to remain in shape for college football this fall. Buettgenbach reported this

## Prineville 2nd in district prep golf tourney

Special to The Bulletin  
PRINEVILLE — It was Pendleton High School from eastern Oregon that captured the Intermountain district high school golf crown here Saturday.

Led by medalist Bill McCrae, the Pendleton Buckaroos carried a 297 score for their four-man team. Pendleton had to fire silver true, however, to subdue the host Prineville High School Cowboys.

Prineville's Crook County Cowboys availed themselves of the other available spot for the district in the State High School Tournament via their 300 stroke total. The 'Pokes took runner-up spot in the district competition.

Weather conditions, rain during the first nine holes, at the Prineville Golf and Country Club were not conducive to good golfing. Both scores were carded in "sloppy going."

Both Pendleton and Prineville loom as prominent threats May 20-21 in the state meet at Portland's Glendover Golf Course. Champions and runners-up from all the Oregon districts will compete.

Scores in the Intermountain District golf tourney were as follows:

Pendleton (297) — Bill McCrae 68, Steve Cory 72, Bill Peterson 74, Mike Williams 83. Prineville (309) — John Lidstrom 70, Alan Hudspeth 73, Alan Nielsen 83, and Bob Caine 83. Bend (318) — Dennis Slimkosky 75, Mike Currie 76, Owen Panner 81, and Alan Stipe 86. Ontario (331) — Lynn Matlock 73, Mike Miller 83, Ron Rettig 84, and Bob Taylor 91. La Grande (336) — Gary Graham 79, Peter Reynolds 83, Dean Draper 84, and John Groupe 90.

Madras (337) — John Newton 83, Ken Tingle 84, Jim Wyatt 84, and Norm Carlson 86. The Dalles (382) — Jeff Mitchell 91, Steve Smith 91, Carl Bewly 93, and Paul Kelly 107. Gerald Harshberger, Arlington, carded a 74.

## Honeymooner runs top 880

HONOLULU (UPI) — New Zealander Peter Snell took time out from his honeymoon Monday to run the 800-yard race in 1:49.5 in an exhibition meet against two University of Hawaii trackmen.

The time was well over Snell's world record of 1:45.1 and his Hawaii guest mark of 1:47.8.

Snell arrived in Hawaii Sunday morning with his bride of two days. They plan to leave Wednesday afternoon for the West Coast, where Snell will participate in several major track meets.

## LC tips Pacific

PORTLAND (UPI) — Ray Warren scattered 10 hits and slammed a two-run homer in the third inning as Lewis and Clark defeated Pacific 4-0 in a Northwest Conference baseball game Monday.

## IF YOU KNEW WHAT

### TINY LUND KNOWS ABOUT FORD DURABILITY... YOU'D BE OUT ENJOYING A '63 FORD

Ask Tiny Lund about Ford durability: He'll tell you how it helped him win America's toughest stock-car competition, the Daytona 500. Lund placed first in a Ford, with four other Fords right behind him for an unprecedented sweep of the first five places. Only the Fords were tough enough to stand the pace.

Greater durability is the reason Ford is able to offer a total-car warranty. Only a true total-performance car could offer as complete a warranty as this—with no strings attached.

Ford Motor Company warrants to its dealers, and its dealers, in turn, warrant to owners as follows: That for 24 months or for 24,000 miles\*, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades, brake or clutch linings, and normal deterioration of soft trim and appearance items.\*

ROBBERTSON FORD SALES, INC.  
424 E. 3rd St. Bend, Oregon

You can't put a long-term warranty like ours on a short-term car. The '63 Fords have a better warranty because they're built better than any Fords in history. You see evidence of this extra toughness in Ford's outstanding competitive wins this year. '63 Fords won the grueling Daytona, Riverside, and Atlanta 500's, and the demanding Pure Oil Performance Trials. Only cars with total performance could roll up so many big wins.

Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Remember: If it's built by Ford, it's built for performance... total performance.
