The Enterprise women had a second-place 4x400 relay team and a second-place sprint medley foursome, while the Enterprise men took thirds in the 4x100 and 4x400.

A much smaller group of Enterprise athletes traveled to Stanfield on Saturday, April 11, for the Dick Horyna Invitational meet at Stanfield Secondary School. Top performances there came from freshman Eliza Irish, who fin-

EAGLES: Coach wants to see more aggression from team

Continued from Page A11

Exon's home run also drew compliments from Word. "Justin going yard is the first time he's hit one out of that park. To see him do that and watching other guys come into their own — we don't have much to complain about."

Word said he'd like to see his team play a little more aggressively, but thought more aggression would emerge as the season went on. He added that the team was so excited about the win that they asked to stay and

practice after Elgin canceled the second game.

Word also had admiration for the Eagles' teamwork and dedication. "We're playing as a team and that's one of those things we try to stress. We have a good mixture of freshmen up to juniors, and when you have only 12 guys, everyone has to contribute."

Word said he looked for good things from the team for the rest of the season. "It was a good game to have this time of year. We've got a lot of good things coming out."

CUBS: Team gets 20 hits

Continued from Page A11

In the second game the Cubbies had 20 — count 'em, 20 — hits, and the individual batting stats reflected this impressively. Kristyn Young went 5-for-5, Madison Plew 5-for-6, and Becca Bateman went 2-for-5.

"Everybody hit in this game," Conrad said.

Plew pitched the second game, allowing only three hits and recording 6 K's.

In the opener of GU/Dayville game, Josie Scott and Natalie Williams provided the highlights. Scott went 2-for-2 with a double and three RBIs. Williams went 2-for-3, walked twice and had four RBIs. Williams also pitched this game, allowing only seven hits.

Of the Cubs' 8-4 loss in the nightcap, coach Conrad remarked there really weren't any highlights.

The Cubs now have a 3-1 league record.

This week the Cubs have a non-league travel game against Helix on Tuesday. On Friday afternoon the Cubs come home and play a doubleheader against Umatilla, a league opponent.

COUGARS: WHS on win-loss roller coaster

Continued from Page A11

Noah Allen relieved Pendarvis and shut the Weston team out for the remainder of the game.

In Friday's doubleheader the Cougar boys learned something about the strength of the Baker baseball program.

Wallowa coach Thomas Wenke said, "Baker has a phenomenal program. The guy who hit three home runs

on us could play on any varsity roster, but the Baker team is so loaded he plays JV. We reverted back to walking players and we had too many errors. In the first game we were down 11 by the second inning."

Josh Rummell started on the mound for Wallowa, encountered a big rally by the big Baker bats, and was relieved by freshman Daniel DeLancey, who pitched de-

cently during his stint. Gareth Murray finished out the game at pitcher. Noah Allen started the second game and kept it close for a little while but eventually was treated like Rummell was in the first game.

Wallowa hit better in the second game but it was nowhere near enough. Wenke said the Baker pitching was as good as any the Wallowa kids saw this year.
