

EHS golfers trim scores

Freshman girls drop numbers quite a bit

By Rich Rautenstrauch
Wallowa County Chieftain

UMATILLA — Enterprise High School golfers traveled to the Big River Country Club in Umatilla last Friday with the boys' scores slipping a little from the previous week and two freshman girls improving their games immensely.

"The boys are all capable of shooting under 100," said EHS coach Mike Crawford. "Over the next couple of weeks we'll have to get this figured out."

Christian Ruckdashel shot

98, Cody Irish 106, and freshman Brycen Locke, who had the team's lowest score a week earlier, slipped on the day, shooting 112. Gotro Thanadkit stayed consistent shooting 118.

For the girls, Stefany Christman shot 117, Jackie Jensen 122, and freshmen Gwen Jenson and Gracie Carlsen both improved markedly at 122 and 136, respectively. Jenson's total was 20 strokes better than her score a week earlier, and Carlsen's result was down a whopping 50 shots. Reece Christman shot 153.

Totals were not available for all teams in the tourney.

EHS golfers play at Buffalo Peak Golf Course in Union on Friday, May 1.

UNION: Outlaws soar at invite

Friday, May 8: Beef tips with egg noodles, buttered carrots, green salad & lemon bars (sponsored by Grace Lutheran Church)

CUBS: Ladies lose 2

Continued from Page A9

In the second game the Wallowa County ladies were ahead 9-6 going into the bottom of the seventh, whereupon the Pirates scored four to pull it out. The Cubs had 11 hits in the first game, nine in the nightcap.

Individual accomplishments in the opener included Madison Plew hitting a two-run homer in the first inning, Darby Gasset going 3-for-5, and Rachel Frolander's two hits, including a bases-clearing single (3 RBIs) late in the game. Frolander also went

WELLENS: Boys did OK, coach says

Continued from Page A9

2-for-4 in the second game with an RBI. Macey Frei and Kristyn Young each went 2-for-4 in the second game, also with two RBIs each.

Natalie Williams pitched the first game allowing 11 hits and a walk and striking out four. Plew threw in the second game, allowing 10 runs on 10 hits with 2 strikeouts and 5 walks.

League action continues this weekend with the Elgin/Imbler Huskies coming to town on Friday. The Huskies are 6-2 in league with the Cubs trailing them by one game in the standings.

Karl Wellens returned to the course after a week off and placed third overall. He shot an 86, topping all Wallowa County golfers. Alex Coutant carded a respectable score of 93. Kai Oliver shot a 99. Thomas Jamerson slipped a little from last week, posting a round of 123. Bryce Melville cut 12 strokes off his score from last week, finishing the course with a tally of 123.

Wallowa girl golfer Clair Wellens was not feeling well and did not make the trip.

Coach Marvin Gibbs said he thought the boys did OK but he's hoping for a little improvement by the time district play comes around. "If we get this team score down to about 380 or better we have a chance of going to state," he said.

Next up for the Cougars is a trip to the Union to play at the Buffalo Peak Golf Course.

SEASON: Two teams mean more home games

Continued from Page A9

Little League president Donnie Rynearson said the second team was made up so the kids could play at home more often instead of traveling to La Grande. Rynearson and Dick Johnson will be coaching the Mudhens with Willy Roberts coaching the

Vipers. The 9-10 year-old boys minors division has the most teams with the town of Joseph fielding the Joe Nelson-coached Mariners and Shay Mann coaching the Tigers. Kenny Knifong and Court Fent are coaching the Enterprise Red Sox and Dodgers, respectively. Travis Power will be coaching the Wallowa Orioles.

There are two Enterprise major girls softball teams (10-11- and 12-year-olds) with Lisa Farwell coaching the Sliders and

Lisa Bateman handling the Blue Storm.

Four minor girls teams round out the Little League with Melanie Rowley coaching the Lightning and Lorien James handling the Dragonflies from Enterprise, Sara Johnson coaching the Blue Birds team of Joseph, and Randy Baremore coaching the Wallowa Grizzlies.

There are nine T-Ball teams this year with four boys teams (6-, 7- and 8-year-olds), the Cubs, the Gators, the Saber-tooth Piranhas and the

Crushers; and five co-ed 4- and 5-year-old teams — the Cougars, Bighorns, Tigers, Lions and the Rockets who will be playing in all towns.

Rynearson said the association is always looking to improve play for the kids participating in Little League. Over the last few years pitching machines have been introduced to shorten the learning curve on hitting live balls. Both minor league clubs already use the machines. This year, sporadically, the boys T-Ball teams will use them also.

Please plan to attend the Oregon Department of Transportation's
Joseph to Wallowa Lake Bike Path Project Public Meeting
May 5, 2015
6:30 - 8 p.m.
at **Joseph Community Center**
102 E. First Street, Joseph OR

ODOT will host a Public Open House Meeting **May 5** to provide information regarding the Joseph to Wallowa Lake Bike Path Project. The purpose of the meeting is to share project plans with the community, provide a project status update and make key project staff available for questions from interested parties. The project will have minor impacts to the Iwetemlaykin State Heritage Site, triggering Federal Highway Administration section 4(f) impacts*. As such, public input is being sought.

The meeting will be held **6:30 - 8 p.m.** at the **Joseph Community Center**, located at 102 E. First Street. All interested parties are encouraged to attend.

The goal of the project is to provide a separated path to allow bicyclist and pedestrians to travel between Joseph and the north end of Wallowa Lake in a safe manner. The project will be approximately three-quarters of a mile long and will provide a 10-foot wide path along the west side of the highway from **College Street to the north boat ramp area.**

Project construction will begin in 2016.

More information is available by contacting ODOT Project Leader Ken Patterson at 541-963-1365, or by email at kenneth.e.patterson@odot.state.or.us

* Information about section 4(f) impacts is available at <http://www.environment.fhwa.dot.gov/4f/4fAtGlance.asp>.
