The Student of the Week is chosen for academic achievement and community involvement. Students are selected by the administrators of their respective schools.

Pet of the Week

Pepper is a beautiful short haired female tabby with gold and grey colors and gold eyes. Pepper is spayed, about 18 months old, and a very mellow and quiet cat. She prefers to be the only pet, and does well on her own. She likes to sit in a lap now and then at her discretion, but wants to move and explore. Pepper would make a great loyal clean companion for the right home. A \$40 adoption fee takes her home with a veterinary record of shots and de-worming.
