

OBITUARIES

Tatum Marie Hull

April 24, 2015 – Aug. 9, 2015

Tatum Marie Hull passed peacefully in the arms of her loving parents on Aug. 9, 2015. Tatum Marie was born on April 24, 2015. During her three short months here on Earth, she touched many lives and was loved deeply by family and friends. Her life was a brief gift to us that will live on as her heart valves, heart arteries, and kidneys were donated and received by those who were in need.

Tatum is the daughter of Dakota and Kayla Hull, of La Grande. She is survived by big brother Hadyn. Her paternal grandparents are John and Ruth Hull of Manzanita; and maternal grandparents Jeff and Kim Stoffel of Enterprise.

Tatum gave us a lifetime of love during her short time on Earth. She enjoyed listening to lullabies, sitting up in her bumbo chair during dinner, watching Mommy cook and preferred to be held close and always with her family. She was loved by all who met her and will be dearly missed.

A Celebration of Life for Tatum will occur Saturday, Aug. 15, 2015 at 2 p.m. at the Church of Jesus Christ of Latter Day Saints, 1100 S. McAlister Road in Island City. Gathering to follow. Arrangements are being made by Loveland Funeral Home in La Grande.

Online condolences to the family may be made at [lfc@lovelandfuneralchapel.com](http://lfc@lovelandfuneralchapel.com).

Florence Gwendolyn "Gwen" Long Kendall  
June 4, 1927 – July 19, 2015

On Sunday, July 19, 2015 the Lord took Gwen Kendall, age 88, to her eternal home.

Gwen was born Florence Gwendolyn to Ralph and Dell Long on June 4, 1927 in Rupert, Idaho. She attended school in Jerome, Idaho and Lyndon and Yakima, Wash. She graduated from Yakima High in January of 1946.

On June 8, 1946 she married Robert Charles Kendall in Yakima, Wash. Soon after, they moved to Enterprise where they shared 55 years of marriage and raised three children: Robin, Bob Jr. and Jeff.

In her younger days, Gwen worked in the strawberry fields in Washington. In Enterprise, besides her duties as wife and mother, she worked at Harold's Apparel and later for Dr. Bryce Moffitt.

Gwen was a member of Saint Patrick's Episcopal church, where she served as a lay reader for several years. She was also a member of the Good Sams Club. Gwen enjoyed camping, crocheting, reading, playing cards and spending time with her family and friends. She was also an animal lover, having several dogs and her longtime feline friend, Callie.

In 2008, Gwen moved to Wild Flower Lodge in La Grande where she was a resident until July of 2014, when she moved to Hood River.

Gwen will always be remembered by her family for being a good cook, being quick witted, and having a loving, tender heart. She was a servant to all. She is survived by her children Robin and Randy Warner, of Cove, Bob and Marcia Kendall, of Hood River, and Jeff and Linda Kendall, of Wallowa; her seven grandchildren Mara (Dan) Niezen, Charity (Phillip) Ketscher, Casey (Beth) Kendall, Jennifer Kendall, Cody (Jolene) Kendall, Jeffery Kendall and Jennifer Goodale; her 17 great-grandchildren; her brother Ralph (Roberta) Long and sisters Mary Collier and Elizabeth Himelsohn.

She was preceded in death by her parents Ralph Long and Dell Marquard, and her husband, Bob Kendall.

In lieu of flowers, memorial may be made to the Alzheimer's Association, P.O. Box 96011, Washington, DC 20090 or 800-272-3900.

# Lions install 2015 officers

Officers of the Enterprise-Joseph Lions were installed for the 2015-16 year. Past District Governor Gerald Hopkins installed Jerold Hustafa, president; Charlie Kissinger, vice-president; Brian Oliver, secretary; and Bill Nickell, treasurer.

A discussion followed on plans for the new year, which included organization for Cycle Oregon participants, arriving on Sept. 17 and leaving the 18th. The Lions will be cleaning up the grounds following the last leg of the cyclists. Members suggested holding a salmon feed for the group during their layover, and a committee was formed to plan the event and get the information to Cycle Oregon.

cussion centered around the Fergi Ski area, which the Lions hope to acquire within 18

months. Members will meet to continue cleaning an area of 18 acres — thinning, cutting trash

and making burn piles for a later date. Chair Kissinger told the group that the project was "doable," but would require a few weekends of the Lion volunteers working together to achieve goals.

The Lions asked Hopkins what assistance might be available for the large number of requests for glasses. Since referrals were taking place throughout Wallowa County, Hopkins encouraged the sight and hearing chairman to work with the club to be selective on the numbers they could afford. He also stated that a lens laboratory was being constructed by the Sight and Hearing Foundation, and that it was the hope of Oregon Lions to cut the costs by two-thirds for individual Lions clubs.

## FCCLA group competes at D.C.

Eleven members of the Enterprise FCCLA Chapter, along with five chaperons, enjoyed taking in the sights at Washington, D.C., during the National FCCLA Conference, July 3-10.

The students qualified to attend by competing in STAR (Students Taking Action for Recognition) events at the state level.

Enterprise High School students who competed at the nation's capital included: Mackenzie Gray — Career Investigation, Gold medal, Oregon State President, Oregon Voting Delegate (she was Oregon's only state officer to attend the conference); Andrea Butterfield — Chapter Service Project, Gold medal, and assisted Oregon Voting Delegate Mackenzie Gray;

Dawn Mist Movich-Fields — Sports Nutrition, Gold medal; Andrew Curtis — Illustrated Talk, Gold medal; Eyreus Rooney and Bette Rooney — Chapter In Review, Gold medal; Reece Christman — Chapter Service Project, Silver medal; Rachel Frolander, Riley Gray, and Eliza Irish — Chapter Service Project, Silver medal; Paul Stangel — Career Investigation, Silver medal.

Chaperons for the trip were advisor Tamarah Duncan, whose 10-year-old son, Chase, also made the journey, Anna Butterfield, Michele Chapin, Randi Movich, and Nora Stangel.

More than 8,000 students attended the national conference. During their stay, the Enter-

prise contingent watched the Independence Day Parade and fireworks show, enjoyed many of the Smithsonian museums along the National Mall, took a tour (thanks to Tamarah Duncan's cousin) of the beautiful monuments in the moonlight, had a guided tour of the Cap-

itol Building with Rep. Greg Walden's staff, walked through Arlington National Cemetery, took the metro to Old Town Alexandria, enjoyed the pandas and tigers at the National Zoo, and cheered on the Washington Nationals at a home baseball game.
