Multiple agencies responded to a single-car rollover accident on Highway 3 near the gravel pits just outside of Enterprise, Aug. 10 at 8 a.m.. The 2013 Chrysler 300, driven by Nancy Cannon of Flora, was southbound when it left the road and rolled multiple times. Nancy's husband, Art Cannon, and son Charles Cannon were also occupants of the car. All were transported to Wallowa Memorial Hospital with injuries. Nancy is now reported in stable condition and Art and Charles were treated and released. Nancy suffered two broken legs, a gash to her head and other injuries. When contacted by phone Nancy said she was doing much better and she expected to be released later this week. She does not recall the accident but thinks she may have dozed off. The family was returning from a trip to the Tri-Cities.

ATHLETE OF THE WEEK

This week's athlete of the week is Enoch Stalcup, 29, of Estacada, Oregon. He is a board member of Creating Memories, and as such, is a frequent visitor to the area, not only as a board member, but as a fisherman.

Stalcup visited the area frequently with his parents, even before he became a creating Memories board member.

Stalcup made his most recent trip to the area in conjunction with Emily Benson's family, the first guests in the refurbished Creating Memories cabin.

Stalcup fished Wallowa Lake on Aug. 13 with the Benson family and Creating Memories crew. Though no fish were caught, Stalcup maintained a cheerful attitude and said he'd limited out many times on the lake and was happy just to be fishing, his favorite pastime.
