

Why do you love owning and operating a business in Wallowa County?

"I enjoy my business for I meet so many great people, both local and visitors alike, and they enjoy my shop, our wonderful community, and all that Wallowa County has to offer. It is nice to know the other business owners in the valley and be able to cross market so customers find what they need and know they can buy it local."

"I love making connections with the local people. Being a part of the Wallowa County Community makes my job my passion."

Debbie Kellerman

"Growing up in Wallowa Co., I always had such respect for the stores and their employees; my Mom and I went shopping almost every weekend. Now that I'm lucky enough to own one of those stores (formerly The Tiny Tot Shop), we try hard to make your shopping experience fun and stress free. My Dad always talked about the generations he taught in the Enterprise School system and I too, love to see generations walk through the door of my store. Pretty cool! People in Wallowa Co. are so friendly and fun to chat with."
