

Wallowa County Fair Board Thank You and Welcome!

Welcome Wallowa County Fair Exhibitors and Friends!

As you are reading this you know it is almost Wallowa County Fair time again! It is hard to believe that another year has come and gone. Many of the youth and others in our community are working hard on their projects to be displayed and exhibited this year at the Fair. I would like to welcome you to participate this year in one of the best small county fairs in the state showcasing Wallowa County youth, communities and the heritage of Wallowa County. Fair theme for this year is “Country Pride Shared County Wide” I hope you and yours get to enjoy and support our wonderful community Fair.

The Fair Board with the support and help of numerous volunteers has accomplished many improvements to our Fair Grounds, which include a new name for our facility “Wallowa County Event Center and Fair Grounds”, a new furnace in the Cloverleaf, updated our tractor, new reader board, repaired and painted half of grand stands, rebuilt the crows nest, and numerous other smaller projects to keep our Grounds repaired.

This year continues many of the fair events that make our time together so special. Dog and Horse shows, Livestock and small animal shows. Friday evening brings live entertainment on the grass before the Championship classes, followed by the teen dance. NEW this year; August 6th we will kick off Fair with live entertainment on the grass. Bring your lawn chair and enjoy a beautiful evening.

Now down to the important business of thanking all those who help make our Fair a success year after year. I would like to thank the kids for their hard work throughout the year and for

bringing their projects to the Fair to show and share with the community. Without the commitment of the kids and parents, the Fair would not be the showcase of Wallowa County that highlights our communities agriculture and homemaking skills.

I personally would like to thank this dedicated Fair Board, without your volunteerism we would not have this success. The Fair Board would like to thank the County Commissioners for their everlasting and generous support of the Fair and facilities. Thank you to the Extension and Fair Staff, volunteers, leaders and advisors for their support and many hours of commitment in making the Fair a wonderful event. A very special “thank you” to our Fair supporters and Fair support committee; without your support we would not be able to provide such generous support to the kids though the fat stock sale.

On behalf of the Fair Board I would like to encourage everybody to come to the Fair and have a good time seeing the animals, visiting the Cloverleaf and meeting up with old friends! See you at the Fair.
