

# Makin to unveil stagecoach rebuild at CJD

## 100 YEARS AGO July 13, 1916

• One of the landmarks (the old McCully store) of Wallowa county is now being razed because it stands in the way of the steady march of improvement. Portions of the old buildings are being torn down while remaining parts are to be moved into the streets where they will remain in use until the new modern structure of the McCully Mercantile Co. at Joseph is ready for occupancy. The 2-story part of the building was erected in 1882 and was at that time the largest store room this side of La Grande.

• Fifteen farmers on the road to the Buttes have organized the O.K. Telephone association and are putting in a new line which runs into the Enterprise exchange. They have 24 miles of wire. This will be strung on the poles of the Home Independent telephone company's Imnaha line, going out as far as the top of the East Crow Creek.

• The city is about ready to begin an extensive, permanent improvement in River street from the courthouse square to the railroad track. The gravel from the excavation of E.M. & M. Company's new store is to be put on the street. This will build a roadway that will be smooth at all times and proof against spring mud.

• The first women to make the climb to Aneroid lake this season went up last week in what probably was the first party of the year. They crossed over snow banks 25-feet deep on upper parts of the trail and the footing was soft and slippery.

• The show to be given by the Knights of Pythias and the Enterprise band will be produced in the opera house July

## OUT OF THE PAST

Compiled by Cheryl Jenkins

22. The program will consist of vaudeville acts, readings and instrumental and vocal music.

## 70 YEARS AGO July 18, 1946

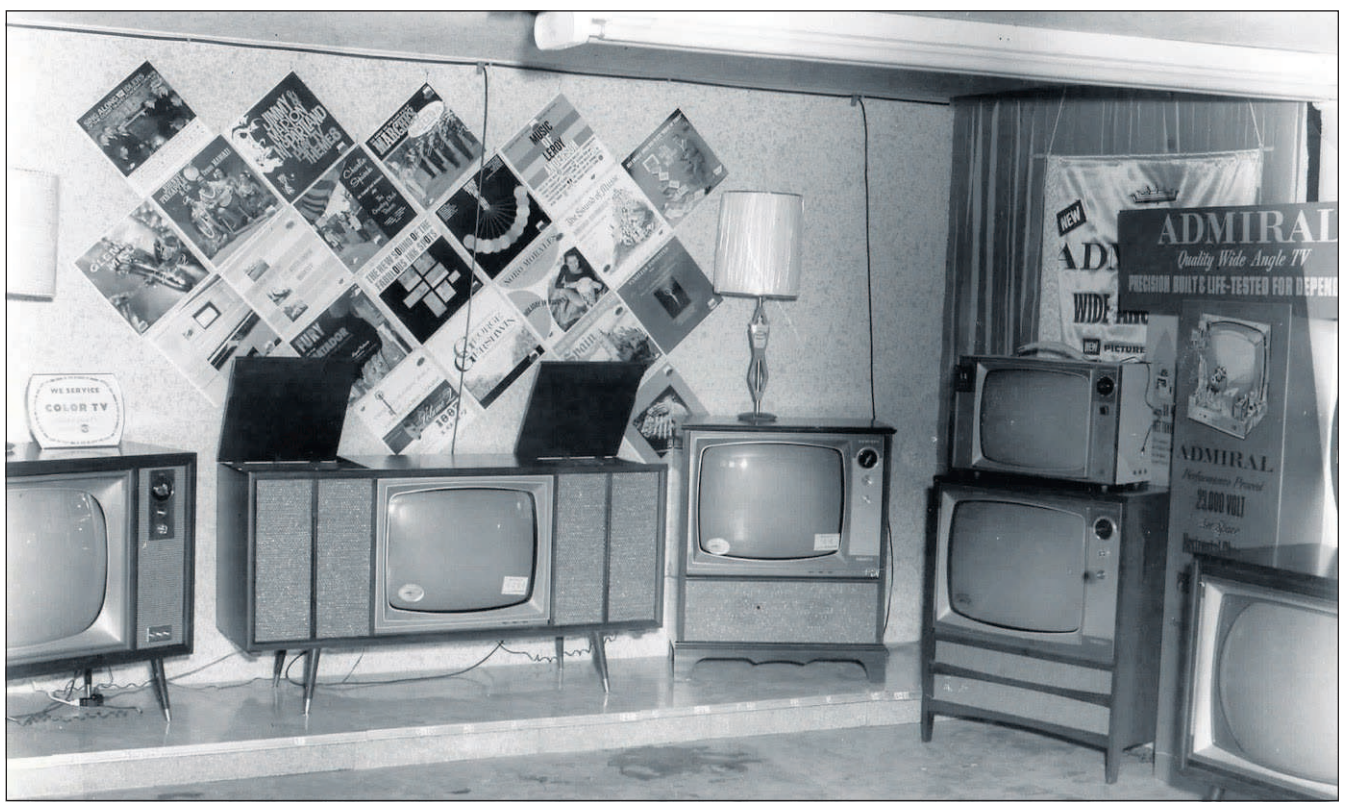

• Three charter members of the Paradise Neighborhood club now living in Enterprise, went in last Thursday to help celebrate the 11th anniversary of the club. 22 ladies and children were present and enjoyed the bounteous potluck dinner. These ladies did outstanding work during the war for the Red Cross and along other welfare lines. They own their own club house and meet regularly. Mrs. Harold Kuhn is the president.

• Haying season is in full swing. The weather has been quite unfavorable and most people are a little short of help again this season. The crop is quite good.

• News from Alder Slope: This was "truck accident" week on the Slope but we were fortunate not to have anyone injured. Sunday one of the lime kiln trucks ran in the ditch at the fish hatchery corner. Tuesday Mr. Lively slid the cream truck off the road on the Edward Kenealy lane. Tuesday night another lime kiln truck driven by Raymond Bork upset on the corner below the Gene Sasser home. On Wednesday night a lime truck driven by Everett Bork crashed over the fence into the field on the Willber Homan farm.

grand marshal of the Chief Joseph Days parade.

• Photo caption: Shandon Towers and Bess Walker have kept themselves busy for the past week or so in the field of creative arts. The two ladies have been working on signs which will be placed at three entry points in Wallowa county to call attention to the activities of the Cow Belles.

• Photo caption: The 2 above photos give a panoramic idea of the extent of work being carried on in the vicinity of the "S" curve to the west of Enterprise. At this point the two sharp curves which form the "S" at the railroad crossing are being replaced with two sweeping curves and a new bridge.

• News from Imnaha: Mr. Duckett took Mr. Killough out

to the doctor Wednesday to have a fish hook removed from his finger. Although Mr. Duckett is something of an authority on removing fish hooks, this one required more surgery than his skill afforded.

• Safeway advertisement: Snow Star ice cream - .59-cents/half gallon..... Watermelons - .69-cents each ..... Haas avocados - 2 for .29-cents ..... Nylons - 3 pairs for \$1.

• Only 15 days remain until Wallowa county's biggest celebration of the year - Chief Joseph Days. Alfred Makin reported that work on the old stage coach is progressing very well. Makin, along with his wife, Una, Roy Carter and Dr. Blackburn have spent a great deal of time during the past months rebuilding the coach which was

used on a local stage line about 1888.

## 25 YEARS AGO July 18, 1991

• Some of the hottest jazz the music industry has to offer will fill the air this weekend when the Wallowa Lake Festival of Music unfolds along the shores of Wallowa Lake. "Jazz at the Lake" returns for its third year.

• It was a crazy two days in Enterprise last week when Crazy Daze reigned over the city. Winners of the costume breakfast were: Best store theme, Steve Swift of Sears, who came as a Diehard battery; Most original, the Mash Unit characters of Pioneer Federal; and Funniest, Marnie Morton of U.S. Bank,

who portrayed a hillbilly wife.

• Wallowa will play host to descendants of the Wallowa Valley's first occupants this weekend at a very special first-time event, organized by current residents and Native Americans whose ancestors once lived here. 5 drums and numerous Indian dancers are expected to take part in the first Wallowa Band Descendants Friendship Feast and Pow Wow.

• Photo: Robyn Freatman and Ramirose Attebury rehearse their lines at Lostine city park this week in preparation for next week's performances in "Raggedy Ann's Adventures in Storyland." A total of 27 county youth are performing in the summer play.
