## Field house rising from ashes

Work begins at Enterprise High football field

The foundation has been poured and Wellens Farwell workers and their subcontractors are busy at last. Crews are erecting a new 2,718-square foot field house at the Enterprise High School football field.

The new structure will be almost 1,000 square feet larger than the old one, which burned down last October due to an electrical short behind the ice machine that sat in the middle of the building. It was discovered and reported by Marcie Teeney of Joseph, who was working on the spectator stands nearby, preparing them for the next home game. No one was injured in the fire.

Although the new building is much larger than the original heavy timber and plywood building, features that were originally housed in other structures nearby will take up

much of that extra space.

The new building will now house the concession stand, the ticket booth, track and

physical education storage and a visitors' locker room in addition to the home locker room, bathrooms and show-

ers, custodial room and public bathrooms.

## Sign up now for free youth pheasant hunts in September

Wallowa County Chieftain

Registration is now open for ODFW's free pheasant hunts for youth (age 17 and under) happening around the state in September.

The events are being held in Baker City, Central Point, Corvallis, Eugene, Hermiston area, John Day, Klamath Falls, La Grande, Madras, Portland, The Dalles (Tygh Valley).

ODFW and partners stock

pheasants at these special hunts that give youth a head start on regular pheasant seasons, which don't begin until October. Quail and dove also may be hunted. Volunteers often bring their trained hunting dogs to hunt with participants. Some events also begin with a shotgun skills clinic, so participants can practice clay target shooting before hunting.

## Wednesday Night Blind Draw a blast for all

Golfers who have joined the Wednesday Night Blind Draw league at Alpine Meadows are enjoying a night out on the town.

"The course, on these wonderfully warm August evenings, is quiet, peaceful and relaxing," said Bill Ables, who organized the mid-week evening get-together. "The Blind Draw is open to both men and women — members and non-members. Come join us and experience the late-day calm."

Those interested should register at the clubhouse at 5 p.m. There's a

blind draw for a playing partner and nine holes of stroke play starting at 5:30.

There is a \$10 entry fee each week. Payouts are given for: KP's on Nos. 1 and 4; gross and net skins (all handicaps will be halved, and maximum handicap of 36).

Winners of Wednesday's Blind Draw:

Gross: Dick Anderson/Jerry Hook, 93; Net: Jim Kilgore/Terry Decker, 75, tied with Fred Cornett/Terry Decker, 75.

Other scores: B. Graybeal/Harlan Menton, gross, 171; Jim Kilgore/Terry Lamb, net 146; Jerry Hook, KP. On July 27, Sherri Currie won KP.

Currie urges gals to join in the Blind Draw.

"It's a lot of fun. Figuring the competition, I doubt I'll win gross,

but it's exciting to win KP (closest to the pin). And besides, it is good practice."

In other news:

• At the August monthly Ladies Luncheon and meeting, Treasurer Kathy Reynolds announced that we have 22 members, including five new gals.

• In Tuesday play Donna McCadden birdied No. 1 — a very exciting first for her. Lisa Larson of Utah, who was visiting in Enterprise, scored a 99 gross. More scores will be printed next week with the results

from the annual Gayle Beck Invitational held Tuesday, Aug. 9.

• Mark your calendar for the JAIP (Joseph Athletic Improvement Project) Tournament on Saturday, Aug. 20. Registration begins at 8 a.m., and there's a 9 a.m. shotgun start. Entry Fee \$300 per team/\$75 per player.

"The JAIP goal is to have fun and raise funds for the athletic programs," said Superintendent and Athletic Director Lance Homan.
