Tate Olsen finds room on the edge for a 12-yard TD run against Union on Friday.

OUTLAWS

Continued from Page A11

Down 19-0 with 7:50 left in the first half, the Outlaws (1-4, 0-1) started to turn things around. After facemask penalty gave Enterprise a first down at the Union 30-yard line, senior quarterback Tate Olsen hit Trent Walker on a 15-yard pass before Walker galloped into the end zone from four yards out on a counter play for the Outlaws' first score.

The Enterprise defense stood tall on Union's next possession, forcing a three-and-out. The Outlaws offense marched again, with Olsen connecting on a pass to Jus-

Even before tossing a TD pass to Walker from inside the 10-yard line that went through the fingers of Bobcats defender Kordale Nowak.

Olsen then picked off quarterback Quinn Evans on the Bobcats' next drive, but the clock ran out before Enterprise could score again.

The Outlaws went into the half with renewed hope trailing just 19-12, then opened the second half with another scoring drive that culminated with Olsen cruising into the end zone on a misdirection play to the outside. Another missed PAT opportunity left them trailing 19-18.

Union's Tate Landis fumbled the ensuing kickoff, but

the Outlaws offense stalled and failed to capitalize.

Late in the third, Enterprise took over again at mid-field and marched deep. The drive ended on a successful 25-yard field goal by Clayne Miller that gave the Outlaws their first lead of the night — 21-19 with about a minute remaining in the third quarter.

The Union rushing attack found its groove again and reclaimed the lead on a 40-yard TD run by Cole Baxter on fourth-and-inches to go up 25-21.

The Outlaws countered with another long drive that ended with Olsen finding Walker over the middle on a 10-yard TD pass. Miller con-

verted the two-point try to give the Outlaws a 29-25 with 8:15 on the clock.

The celebration was short-lived, however, as Union's Baxter took the ensuing kickoff 65 yards for a score.

From there, the Enterprise offense moved the ball but never very deep into Union territory. The Bobcats' Nowak sealed the win with an interception of an Olsen pass with less than a minute remaining.

Olsen ended up with a pair of touchdown passes to Walker and a rushing TD. Walker also had one rushing TD.

The Outlaws host Grant Union (3-3, 1-0) at 7 p.m. Friday. The Prospectors defeated Imbler 32-22 last week.

UNION

Union took the second game 25-18, thanks in part to eight consecutive points on serve by senior Kortnee Mar-

riott.

The Bobcats pulled away late in the third game on some key kills by junior Katie Good and took the crucial set 25-21.

It was all Union in the deciding game as the Bobcats built an early 10-3 lead and

put the match away with a 25-15 win.

Gray landed eight kills and posted five blocks for the Outlaws, while Heidi Niezen notched six blocks. Jensen, George, Aschenbrenner and Ashley Exon contributed at

least five kills each.

The Outlaws next play at noon Friday against an opponent that is yet to be determined in the first round of the district tournament at Eastern Oregon University in La Grande.

EAGLES

Continued from Page A11

The point-after attempt failed.

The Eagles went on a scoring streak in the second quarter. Cayden DeLury hit Rylie Warnock with touchdown pass and later scored on a 40-yard run with 3:04 left in the half. A successful PAT gave Joseph a 14-12 lead.

Echo rebounded with another score and a failed PAT with 1:34 left in the half. The Eagles roared back with another long DeLury run that put Joseph up 20-18 with 37 seconds to play.

The Cougars marched on the strength of their option offense and managed a final first-half score as time expired. The PAT failed, but the Cougars led 24-20 at the half.

Echo scored on the opening kickoff and never let up. The end of the third quarter saw the Eagles down 46-20. DeLury scored on a touchdown run with 10:31 left in the fourth quarter. The successful PAT proved to be the Eagles last score of the game. The Cougars scored once more with 8:07 left in the contest.

In spite of the lopsided score, the Eagles backfield

proved serious offensive threats with DeLury and sophomore Tyler Homan making spectacular runs into the red zone only to have a number of them called back on penalties or later negated by fumbles. Several center snaps over

Delury's head also resulted in lost opportunities.

While the defense had trouble reading the option, they consistently contained the Cougars' passing game and runs up the middle, battling tooth and nail to the bit-

ter end.

The Eagles' loss left the team 2-2 in league play and 3-4 overall. They will wrap up regular-season league play with a 2 p.m. road game at Pine Eagle (4-3, 3-1) on Friday.

ROUNDUP

Cooney also recorded seven aces.

"We had some great serving and team work," said Coach Jill Hite.

Johnelle Suto led the team in assists in all three matches.

The winner of Tuesday's Joseph/Wallowa match advances to the district tournament next weekend in La Grande.

Volleyball: Wallowa goes 2-2

The Cougars finished the regular season with four road matches in three days, going 2-2.

On Thursday, Echo defeated Wallowa 25-19, 25-20, 25-21. Rylee Goller had six kills and 10 digs, while Jordan Ferre had four kills with four solo blocks.

"This game was the best I have seen them play," said

coach Janea Hulse. "I am seeing some of my younger girls step into a leadership role and that is not only improving their personal game, but improving the whole team."

On Friday, Echo def. Wallowa 25-19, 25-20, 25-21. Then on Saturday, the Cougars finished strong with a 25-11, 25-12, 25-15 win over Nixyaawii and a 25-15, 20-25, 25-17, 25-22 victory against Griswold.

Football: Cougars crush Cove

Wallowa got back into the win column in a big way Friday with a 78-12 league victory at Cove.

Aaron Brockamp rushed for 291 yards at four touchdowns on 15 carries and Patrick Ritthaler ran for 187 yards and three touchdowns on 10 carries to lead the Wallowa offensive attack. Travis Haga also ran for two touchdowns and connected on a TD pass to Joe Robb.

Wallowa (2-5, 1-3) led 52-6 at half.

The Cougars wrap up their regular season on the road against Powder Valley (6-1, 4-0) at 7 p.m. Friday

Cross country: Tingelstad first again

Isabelle Tingelstad is on a serious roll. One week after placing first in the 5,000 meters at Buffalo Peaks Golf Course in Union, the Joseph senior led the pack with a first-place finish Thursday at the Kyle Burnside Memorial Wildhorse Invite in Pendleton.

As a team, the girls placed second, just one point behind Union, while the boys finished 11th out of 19 teams.

More than 20 schools competed at the meet. Tingelstad finished the 5,000-meter race in 20:02.2 to lead the field of 127 girls. Alex Graffunder of Union led the field of 213 boys with a time of 16:43.0.

"Everybody ran well under the conditions," said Outlaws

Coach Dan Moody. "It was pouring down rain and the course was slow and soggy. We're just working hard for next two weeks for districts."

The team has a bye this week before traveling back to Pendleton for the District 5 Championships on Oct. 28. From there, the top two teams and top five individuals advance to the state meet Nov. 5 in Eugene.

"Just about everyone on the team is posting great times," Moody said. "It was a good way to end the season."

Top Outlaws placers:
Girls — 1. Isabelle Tingelstad, 20:02.2; 6. Ellyse Tingelstad, 20:48.5; 7. Eliza Irish, 20:50.9 (Personal Record); 16. Deedee Duncan, 21:34.4 (Personal Record); 30. Karli Bedard, 22:34.5

PUBLIC NOTICE

The public is invited to comment on a proposed riparian easement the Oregon Department of Fish & Wildlife proposes to acquire on a section of Crow Creek and West Fork Pine Creek near the town of Enterprise in Wallowa County. Riparian easements are voluntary tools that ODFW uses to cooperate with landowners who are willing to work collaboratively to improve fish habitat on rivers. A riparian easement allows ODFW to improve fish habitat without owning property. As required by Oregon law, ODFW will hold an informal public hearing at the Oregon Department of Fish and Wildlife's conference room located at 65495 Alder Slope Road in Enterprise on November 16th at 5:00-6:00 pm to take public comment on this proposed easement. For information, please contact Winston Morton, Grande Ronde Fish Habitat Program, ODFW East Region office, La Grande, 541.962.1837.
