

Cougar PAC event draws crowd

By Charissa McCulloch
For The Chieftain

The first annual Fall Festival hosted by the Wallowa Cougar PAC was a great success. With more than 100 students in attendance, we met our purpose of providing a free event to families in the county.

The festival consisted of many booths that included a caramel apple bar, cupcake walk, temporary tattoos, sucker draw, mad scientist, fortune tell, harvest craft and mystery boxes.

There also was a costume contest with more than 75 students competing in various age groups.

The caramel apple bar was a hit. Apples were donated and dipped in caramel. Then, kids had the opportunity to roll them in a topping of their choice. The mad scientist was fun as well. The kids got to make slime with our science teacher Mr. Journigan. We are thrilled with the success of the event and can't wait to put on another one.

Our next event will be an evening filled with Christmas ornament making and Christmas movies in December.

OUT OF THE PAST

Compiled by Cheryl Jenkins

Items of interest from the pages of The Chieftain from this week in years past.

100 YEARS AGO Nov. 9, 1916

• Not since the Hayes and Tilden election of 1876 has there been a presidential contest so close as the present, and the outcome so long in doubt. Latest advices today were that a few states still hung in the balance, and that the general result hinged on them. It seems not unlikely that the full and final count will be necessary in all these states to decide who is the next president. This should be finished today or tomorrow.

• Classified ad: The party who took the ladies scarf from the E.M. & M. waiting room election day is known. Please leave and avoid trouble.

• The total assessed valuation of the county, except for public utility property, is shown to be \$11,947,189, in the figures just compiled in the office of Assessor C.H. Allen. Last year the total was \$10,828,655.

• A special train on the East Oregon railroad brought the voters of the company's camp to town on Tuesday to vote. Opportunity was given every voter, both men and women, to have a free ride to the polls, and the train came in with nearly 150 persons. It was a holiday at camp and the workers made the trip in that spirit, turning the trip

both ways and the stay in town into a jollification.

• According to research institutes which study such things, American girls are going to have a lot tougher time getting a husband in the future. It seems that this conclusion is not based on any alleged disposition on the part of the male species

to shun marriage, but on the fact that there is a shortage of 1,000,000 marriageable men in the United States.

• The Red Cross chapter has received patterns for children's sweaters to be knit from the surplus yarn originally meant for army sweaters. Knitters are urgently needed, and are asked to call at the Red Cross office to get their yard and directions.

• Terrel Witherrite, son of Mr. and Mrs. Lyal Witherrite of Imnaha, has been voted first place in a personality contest by the students of the Pasco, Washington high school which Terrel is attending this year. The school paper in announcing the selection

said, "Terrel is about 5' 8" tall, has curly blonde hair, is well known in the sophomore class, is always well dressed, never smokes, is the type girls appreciate being dated by, and if we had a few more like Terrel the world would be a better place in which to live."

50 YEARS AGO Nov. 10, 1966

• A large delegation of Shriners gathered last Friday to prepare for the annual caravan to Portland. The Shriners, in their 12th annual caravan, delivered over 11 tons of food valued at over \$2700 to the Crippled Childrens Hospital. 18 Wallowa County Shriners

in 11 rigs were joined by others along the way, and by the time they reached Portland, there were 71 vehicles loaded with food for the hospital.

• West Coast Telephone is currently installing new aerial cable from Wallowa to Lostine and Enterprise in preparation for the start of Extended Area Service between the three towns. When the new service begins – at 11:01p.m. on Dec. 29 – long distance charges will be eliminated on calls between Wallowa and Lostine and between Wallowa and Enterprise.

• Six members of the Enterprise High School football team were selected to the Greater Oregon Conference all-star team by a vote of the league coaches. Picked from the Savage roster were: Aaron Guest, Gary Connolly, Jim Dutli, Dan Courtney, Keith Smith and Wayne Field.

• Election news: In Wallowa the election was simple and unexciting. Five candidates were on the ballot and all five were elected. Mayor: Robert Evans. City council: Bill Fisher, Donald Conner, Robert Lewis, C.H. Keyser.

25 YEARS AGO Nov. 7, 1991

• Amy Williams of Joseph High School took 14th place at the Oregon Class 2A cross country finals held at Lane Community College last Saturday. Williams, Wallowa County's only representative at the meet, completed the 3000 meter race with a time of 12:26.3.

• For the third time in a year, Enterprise photographer Dave Jensen is looking forward to the front cover of a nationally marketed publication. Soon to appear on magazine stands is the December issue of Outdoor Photographer which will feature on its cover one of Jensen's Wallowa Lake photos.

• With temperatures as low as 13 degrees when they arrived at 7:00 am, eight members of the Mother Orman Assembly of Rainbow Girls, wrapped in blankets, rocked all day last Wednesday in rocking chairs in front of the courthouse to raise money for various projects. Most lasted twelve hours on their rockers, and as a group raised over \$500. Rockathon participants are: Tisha Stangel, Courtney Roberts, Melyssa Green, Kari Haines, Jill Magera, Katy Kurtz, Tiffany Winslow and Worthy Advisor Tiffany Garrett.

• Photo caption: Marisa Knifong, 14, of Lostine shows off the rack of a five-point bull elk she killed last week while hunting with her father, Mel.
