

Imnaha and Wallowa

Dear Santa,
Mrs. Knifong has taught me how to do division better and how to do multiplication better. I like learning about all of the animals and creatures in the magazines. I like reading the books she has in her library. I hope you bring her new books, because she likes to read.

Will Ogden

Dear Santa,
My Mom and Dad are being good and they help me with homework. I am thankful for them!

Samantha Shoffner

Dear Santa,
I would like you to bring a present to Steve Roundy! He helps me with math and spelling. Steve has ways to make me

understand math. He is a happy person!

Talia Aase

Dear Santa,
My mom helps me with math and she always takes care of my brother and I. She wants to spend time with us and do fun things with us. Would you please bring her a purple shirt.

Pearce Schnetzky

Dear Santa,
I want my Mom to have a good Christmas this year because she works hard at school. She needs a break. I want to have time with my mom over break so we can hang out.

Brady Brown

Dear Santa,
My Mom and Dad like to fish

with my brother and I. We like to go camping. My Dad would like a pair of slippers and my mom wants a necklace.

Ella Bronson

Dear Santa,
My mom helps me a lot with my homework. I appreciate it. She is really nice to me and she listens to me. I wish for her Joy this holiday season!

John Howard

Dear Santa,
My mom is always positive. She takes us to the lake. She puts food on our plates. I hope she gets a bright pink truck!

Saige Ely

Dear Santa,
My Mom is loving and she helps me with things. My Dad

teaches me how to be tough and how to live outside. Hannah is my cousin and we are really close. I think they should all get a lot of presents because they are nice and sweet!

Kindergarten – 5th
grade class
Imnaha**

Dear Santa,
Do you have a funny list? Or a silly list? It would be funny if you did. Well at least for now I think I could possibly imagine it being funny. I would like a Lego friends set for my sister and Mathcad for my Dad, and for Mom some

tracing paper. For me something fun like Legos. How are your elves doing, how about the reindeer?

*Sincerely, Gabe
2nd Grade*

Dear Santa,
How are your elves? Will you bring a stuffed Ninja Turtle and an Xbox 360? Please bring something for my Dad like art clay because it is special. Santa when is it Christmas?

*From Waylon
1st Grade*

Dear Santa,
How are you? Good? OK! Have your elves been working hard? I bet they have! We are doing a play at the school. The play is about Santa trying to tell a story but is keeps getting interrupted by nursery rhyme characters. So, here is what I want. I want a game called Super Mario Maker where you can make your own levels. I also want a stuffed man. I want to give my uncle a phone because his broke and it doesn't work.

*From Junior
5th Grade*

Dear Santa,
Please bring me Batman because I like it. Can you bring me more presents? Please bring my Mom a necklace.

*Love, Aaron
