

**Knitting.**

Members may enter up to a total of **three** classes based on the phase or level in which they are enrolled and one exhibit in the Hands for Larger Service Class. Senior and Intermediate members may also enter one exhibit in the Innovation and County of Celebration classes. The phase classes may be any combination of divisions but within each division the classes must be in a single phase or level. For phase classes and Hands for Larger Service class to qualify for judging, a 4-H Knitting Exhibit Explanation(360-01) card must be securely attached to the exhibit. The card requests information about the exhibited item and skills learned in construction. Members must mark skills on the level in which they are enrolled. If they show skills beyond their level, they will not receive extra consideration. For the Innovation Class, exhibits must include the Innovation Explanation card (998-01). Forms are available at Extension office or on State 4-H website: <http://oregon.4h.oregon-state.edu/special-events/state-fair/cm-family>. Judging criteria for non-felted items are outlined on the 4-H Knitting Check Sheet (360-02). Judging criteria for knitting which has been felted are outlined in the 4-H Felting Score Sheet (261-03). Both are available from the county Extension office or at website above.

A pair of mittens, slippers, socks, etc., is considered one article. The two pieces of the pair should be temporarily but securely attached to each other. Swatches are not acceptable as exhibits.

In addition to the 4-H exhibit tag, each garment or article must be labeled with the member's name, county and project phase or level. This label should be typed or printed in indelible pencil or ink on a piece of white fabric and sewn to the article or written with indelible ink on painters tape and placed where it can do the least amount of damage.
