THOMPSON AUTO SUPPLY

KENT LOZIER
Our customers can find parts for any car (import or domestic), truck, RV, small engine, farm machinery or heavy equipment, and our inventory is based on the number and types of vehicles registered in the County. If the part isn't in stock we can order it from Portland, Seattle or Spokane and have it shipped overnight, but I would like to remind our customers that since Thompson Auto Supply is an independent NAPA Auto Parts store we can find almost any part needed since we have many distributors throughout the Northwest and the nation. I want to keep people in the County for all of their automotive needs and serve them well. Customer service is the commitment of Thompson Auto Supply.
