Dear Santa,
A reason I have been good is because I have been a great class-mate. One thing I want for Christ-mas is a fuzzy pillow. I was won-dering how Mrs. Claus is doing.

Love your biggest fan, Scotlyne

Dear Santa,
I have been helping whith the chickens and the dogs. How are you and the reindeer? I would like a bunckbed. I would also like a waterbottle for school. Also, I would like the Boxcar Children book two.

I have been good because I have been helping my mom with chores. I want a puppy. How have you and Mrs. Clause been doing this year? Hope you like the cookies I'm bak-ing this year!

Dear Santa,
I have been good this year be-cause I have helped my mom with chores. What I want for Christmas is a giant stuffed animal Snake. How are your reindeer doing at the North Pole?

Love, Karlee

Dear Santa,
I've been good because I help my brother. Can I have a dirtbike please? How many elves do you have? Is it cold? How many reindeer do you have? Do you have dogs? If

lost any weight?

Dear Santa,
Hello Santa how are you doing? This year I would like a German Sheperd and Pokémon legos from Game Stop. I would also like a Nintendo Switch and a game called Pokémon Tournement to go with the Nintendo Switch. But I want the Nintendo Switch the most.

Sincerely, Kody Salmon

Dear Santa,
How is the weather at the North Pole? Did Rudolf's nose fall off again? Anyway I should get to the point. For Christmas I want some

pretty simple stuff and it's not that long of a list. First I would LOVE a happy family for Christmas. I am not saying that my family is not happy because they are, but just for Christmas Eve and Chistmas people should be happy. I also really want my Nana to come. (I can't remember if she is or is not.) I would also like a white t-shirt that I could draw on with my cloth markers. P.S. Could I have a reindeer or two?

Sincerely, Ione Flynn

Dear Santa,
How are you doing? For Christ-mas I want a complete tool set and an Xbox 360. Also I want video games for it too. Next I want a new bike and a lot of tubes for the bike. Also for my bike I want a bright light. Next the last thing I want is some new Legos. Have a good Christmas.

From Dawson Quittschreiber
Dear Santa,

How are things at the North Pole? How many toys have the elves made? I would like a puppy and a pool for Christmas. I would also like to see my Grand father and Grand mother please. Finally, I would please like presents.

Sincerely, Samuel Witherup

Dear Santa,
First of all how are you and Mrs. Claus? I have just a few questions. Can you say hi to your reindeer for me? Can you tell Mrs. Claus to make you a warm suit? I don't want you to freeze because it is going to be cold. Say hi to your Elves for me. Can you get me a Unicycle or Orbeys? The list goes on. But I forgot I might be on the naughty list. By the way can you get my dog a new collar? I hope you have a Merry Christmas. P.S. I want two more things. Everyone to be happy and a baby turtle.

Love, Talluah April
