Zumwalt Prairie Preserve Grazing Applications

The Nature Conservancy is seeking producers interested in grazing leases on the Zumwalt Prairie Preserve. Lease opportunities may be under either full-care or self-care terms. Our standard lease is a two year term, with potential for renewals based on performance and program needs. The goal of the Zumwalt Prairie Preserve grazing lease program is to graze the Preserve in a manner compatible with the native grassland plant communities, to facilitate grazing research, and to develop relationships that further conservation on lessee property and the surrounding privately-owned prairie.

If you are interested in leasing pasture on the Zumwalt Prairie, application materials are available at:

The Nature Conservancy
