Ellen Morris Bishop

Explore & Discover Wild Science of the Wallowa Country!

Exhibits

Discover why NE Oregon is so unique: Canyons, grasslands, plants & animals, rivers, forests, lakes & moraines, and the geology of it all!

Presentations

Experience Wild Science in person: Evening programs on great blue herons, bears, hibernation, pollinators, volcanoes, wildflowers, Wallowa Lake limnology and more!

Outings

Enjoy guided half-day Discovery Walks & longer Expeditions through the region's forests, canyons, rivers, wildlife & geology!

Workshops

Learn from local experts: Photography, cultural & natural history, all aspects of Wild Science!

Kids' Activities

Explore our Kids' Activities, and participate in C.O.D.E. GREEN Kids, parades, parties, hands-on fun!

Enter the Center Today!
