Matthew was born December 28, 1992 to parents Linda (Streeter) and Mark Doud in Baker City, OR. He was raised and educated the majority of his life in Baker. Oliver Warren Wentz

March 7, 1936 -June 7, 2019

Oliver Warren Wentz lived a meaningful life. On June 7th, he was called to greener pastures at the age of 83. He passed at the Saint Alphonsus hospital in Boise, Idaho. Oliver had many names to his family and friends, Olly, papa, dad and the occasional "Damit Oliver."

Papa was born in Warren, Idaho on March 7th, 1936 as the only boy of five children born to Charles and Ester Wentz. The Wentz family followed work and moved to Boise, then down to Downieville, where Oliver graduated high school.

If you ever spent time with Olly, you would have quickly figured out the man was full of talents and learned trade skills. Most of the skills were developed from his plethora of jobs he worked. Starting at a young age he did garbage pick up, then worked as a meat cutter in the market, a framer building houses, he even worked as a masonry. He built many of the brick walls and foundations in Downieville. Papa was the lead mechanic for the Wentz family, quite frankly he could fix anything with wheels. However, his most talented job was running his CAT, making roads. He absolutely loved building roads, and operating his dozer. He could make the large piece of equipment dance through the dirt and put the dirt exactly the way he wanted. Oliver's last and final job was raising sheep and cattle, and farming. He was always proud and eager to show off his lamb crop or hay crop. He would spend hours just watching the sheep and cattle graze the luscious grass. To him, this job was a lifestyle that he passed

on to all of his children and grandchildren.

Even though he worked all of his life, he had quite a few passions. Oliver loved the outdoors, he spent most of his life hunting, fishing, farming and herding sheep through some of the most beautiful country. His greatest passion of them all was eating good home cooked meals. His famous saying was, "Some people eat to live, I live to eat!" Oliver loved gathering with friends and family over great food, which is how the family plans to celebrate his life.

Oliver met the love of his life, Joanna May Wentz in Downieville. They married on December 31, 1957. With empty hearts, Oliver leaves behind his children, Dianna Taylor, Larry Wentz, Leanna Wentz and Don Wentz. His grandchildren will forever miss their papa who include, Dustin Taylor, Kayla Coughlin, Bretta Wentz, Amalia Wentz, Ashley Taylor, Trevor Wentz, Oliver Wentz, Hannah Wentz, Sawyer Wentz, Basey Jo Dawson and Karlee Wentz.

All those who knew Oliver are invited to join at the Downieville Cemetery on June 15th at 11am. The family plans on hosting a potluck at the community center following the service. Please bring your favorite salad or dessert. The Wentz family will also host a get-together June 22 at 4 p.m. on the Enterprise ranch, 68865 Elk Mountain Road. All are welcome. Please bring a dish to share. Please consider joining the family in these special times of celebration of Oliver's Life.

Donald Charles Robeson

April 19, 1931- May 8, 2019

This is to inform you that Donald Charles Robeson left this earth on Wednesday, May 8, 2019, for a greater life beyond. Don was born in Yakima, Washington, on April 19, 1931, to Evelyn and Harry Robeson. He was one of four children born into that family.

Graduating from Enterprise High School with the class of 1950, he joined the U.S. Navy prior to the Korean War. Following specialized training, he served with the First Marine Air Wing in Korea as a Medical Corpsman. He was very proud to have served with the Marine Corps, and his private library contains many books about the Korean Police Action, and the many experiences that took place during the early 1950s. Don was very private about his own experiences, and seldom talked about that time in his life. He was honorably discharged in 1954. Don attended the Oregon Institute of Technology, where he received a degree in Medical Technology.

He married Bonnie Marie Sparks of Klamath Falls on June 3, 1956. Together,

they had three sons: Daniel, Gregory and Bradley. He also has eight grandchildren and six great-grandchildren.

Following graduation from O.I.T., Don practiced his profession in Central Oregon and then traveled the Southwest (Texas, Oklahoma, and Arkansas) for the Warner-Lambert Corporation as a technical representative.

In the early 1980s, he was hired by the College of Veterinary Medicine at Oregon State University. He was associated with the Clinical Pathology Department until his retirement in 1996. Following retirement, he volunteered many hours with Oregon State Parks as a camp host, and loved working in his yard and tending his rose garden.

The Memorial Celebration of Life was held Friday, June 7, 2019 at Zion Lutheran Church in Redmond, Oregon. It was followed by a scattering of his remains near Buckhorn Springs Overlook, an area of Wallowa County that was Don's favorite place to visit.

Jerry V. Raedeke

April 29, 1933 — May 13, 2019

Jerry V. Raedeke, 86, of Enterprise, Oregon, passed away and went to be with Jesus on Monday, May 13, 2019. He was born April 29, 1933 in Calgary, Alberta, Canada, to Walter and Esther Raedeke, the youngest of 4 sons. He married Jennie Heral on January 25, 1983. She preceded him in death on February 7, 2019.

Surviving are five children, Elaine (Dan) Meyer of Rockton, IL, Mark (Maria) Raedeke of Rockford, IL, Paul (Marilyn) Raedeke of Germantown, MD, Rhonda Raedeke of Rockton, IL, and Amy (Paul) English of Washington, IL, and eight grandchildren. He was preceded in death by his parents, and three brothers.

Jerry attended Concordia University, and taught for several years in parochial schools before hearing God's call to preach the good news of Christ from the pulpit. He attended Concordia Theologic Seminary, and pastored at Trinity Lutheran Church in North Murrilltown, MN and Christ Our Savior Lutheran Church in Roscoe, IL. Jerry loved the mountains and rural life, which reminded him of his childhood, and came sight unseen to serve as pastor at Grace Lutheran

Church in Enterprise. He also served at Lostine Presbyterian Church and Enterprise Community Christian Church.

Jerry had a great love for people, and didn't know a stranger in the area. He had a gift for connecting with people, taking an interest in them and sharing God's love in tangible ways. His easy-going manner helped him convey the truths of the Bible so everyone could understand them. He was counselor and confidant, walking through difficult times with many, as well as celebrating their joys.

Jerry was a true servant, and often filled the pulpit as interim pastor for many area churches while they were looking for full-time ministers. He preformed many weddings and funerals throughout the extended community, often joking, "I'm called the marrying and burying preacher." His ministry motto was, "accept people where they are," and then live Christ in front of them. He did just that, pointing people to Jesus, and His great love and forgiveness.

A memorial service will be held on Wednesday, June 19, at 1 pm at Enterprise Community Christian Church.
