Not really a lot. We're a pretty traditional store. We're consistently ready for the changes in the weather. We still have clothing for the whole family, outdoors and Western wear, boots, boots and more boots for hunting, fishing and camping. On a walk around the store, you find something different in every corner. We have a Springfield Saint semiautomatic .556 cal. And a Browning Hells Canyon model Lightning bolt action .300 Winchester short mag.
