John Evans and his son, Paul, were seeding on land near their home near Lewis when a brief electric storm came up. The father and son crouched under the bed of their wagon for shelter. A bolt of lightning struck and four of their horses that were tied to the wagon were knocked down and killed. Other than a scorched eyebrow, the two men were not injured.

Wild rumors have been flying regarding the new dam at Wallowa Lake. Investigation has shown every rumor false. It has not broken nor shown a leak. There has been no hint of a defect or fault, or any suggestion of danger. The desired level was attained on Sunday, and the surplus has been carried off by the spillways and gates

**Bernadine Mae Price McGinnis**

May 22, 1937 - June 2, 2021

Bernadine Mae Price McGinnis, 84 of Scottsdale, AZ passed away peacefully with her family at her side in the early morning of June 2, 2021. Graveside services will be at Owyhee Cemetery, in Nyssa Oregon on Monday June 7, 2021 at 11:00 am.

Bernadine was born May 22, 1937 in Adrian, Oregon to Ira and Clara Price. The Price family came to the Adrian Community in March of 1937 from Callaway, Nebraska. Bernadine was one of eight children who grew up on the family farm in Sunset Valley. It was here that she learned about hard work and developed strong values that served her well throughout her life.

Bernadine attended Owyhee School from first to sixth grade. In seventh grade Bernadine transferred to Adrian School where she met James "Jim" McGinnis. She graduated from Adrian High School in 1955. Bernadine went to business school in Nampa, Idaho while her fiancé attended the College of Idaho.

After a year's separation the two reunited in Caldwell Idaho. She worked as a receptionist at a finance company while Jim finished his degree. On June 3, 1956 the two were married at Adrian Community Church in Adrian, Oregon. Over the next thirteen years they had four children.

Bernadine and Jim spent their adult life in Joseph, Oregon, Toppenish, Washington and eventually Sitka, Alaska. While in Sitka, Bernadine was well known for her kindness and love for others. Bernadine was also a sought after child care provider on the island from 1981 to 2005. She touched the lives of many people and helped shape the lives of over 250 children. As a testament to her character, Bernadine stayed in touch with several kids she previously cared for until her final days. She and her husband also ran a popular bed and breakfast from 1987 until 1998 where numerous people stayed while adventuring in Alaska.

In the fall of 2005 the two retired to Medora, North Dakota where they finally fulfilled a lifelong dream of running a cattle ranch. After seven years in Medora the two traveled south to Scottsdale, Arizona where they spent their time visiting with their kids and grandchildren and enjoying the warm sunny days.

**Alinda Luella "Lue" Miller**  
 April 16, 1924 - May 10, 2021

Alinda Luella "Lue" Miller, a long time Enterprise resident, died at home on May 10, 2021, at the age of 97.

Lue was born April 16, 1924, in Yakima, WA to Julie Loretta (Egan) Shafer and Robert Edwin Shafer. While most of her childhood was spent in the College Place, WA area, when she was six, her parents moved the family to Jamaica where her father served as University President, returning to the States when she was twelve. She attended Walla Walla Valley Academy, graduating in 1941 and then continued her education at Walla Walla College, graduating with a Degree as a Medical Technician.

She married Doug Miller on September 10, 1944, while he was in Dental school, from which he graduated in 1946, and the two moved to Enterprise to start his practice. When Doug was called to serve during the Korean War in 1951, the family moved to Fort Lewis, WA, returning to Enterprise in 1953, where they raised their children.

Lue was an accomplished pianist and organist, as well as violinist and taught lessons in the family home for many years. When the children were young, the family spent lots of time hiking and horse packing into the high lakes. As the children began to leave home for boarding school, Lue took a job working as a Medical Tech at Wallowa Memorial Hospital, eventually becoming Director of the lab. Once she and Doug retired, they enjoyed frequent camping trips in their motorhome at various spots around the county.

Lue loved to work outdoors in the yard and her many gardens, for years planting dozens of petunias to fill the terraces and gardens at their home with color.

She is survived by her sister, Arlene Gifford (Jack) of Utah, daughter Suzanne of Milton-Freewater; son Bob of Vancouver, WA; daughter and son-in-law Gini and Don Sallee of Wallowa Lake; grandchildren Rachel and Jason of Vancouver, Melissa of Portland and Kyle of Washington DC, and great-grandchild, Savanna, as well as numerous nieces and nephews.

She was preceded in death by her parents, her son Jim Miller, her brother-in-law Jack Gifford and niece Julie Gifford, her sister, Zella Bryant and brother-in-law Boyd, her brother Bob Shafer, his son John, her in-laws, Guy and Halo Miller, her sister-in-law and brother-in-law Genevra and Tom Thompson, and her brother-in-law Gordon Miller and his daughter Kimi.

Lue was a member of the Enterprise Seventh-day Adventist church, where she regularly played the organ or piano for services. In lieu of flowers, the family requests that donations be made to the Enterprise Seventh-day Adventist Church School.

Arrangements were made by the Bollman Funeral Home and at her request there will be no funeral service.
