

# Reinhold Schubring arrested for moonshining

## OUT OF THE PAST

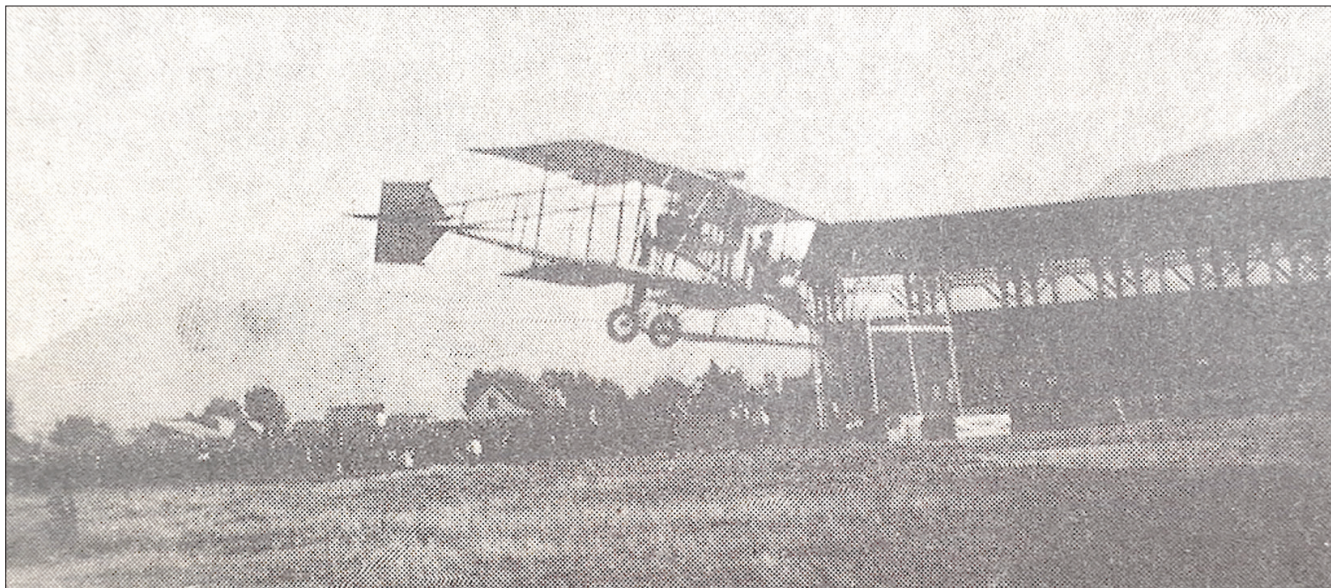

Compiled by Cheryl Jenkins

### 100 YEARS AGO July 7, 1921

After watching Reinhold Schubring's still turn out a few pints of moonshine, Sheriff Rinehart concluded the evidence was complete and brought him to town under arrest. He was imposed a fine of \$250 and ten days in the county jail.

About 20 feet of the rocky point on the road leading out of Enterprise to the southeast will be cut off in the construction of the new highway. This will make it possible to see ahead a short distance while driving this sharp turn.

In the preliminary schedule of the Oregon homeseekers' excursion which is to leave Omaha July 20, it is provided that the train shall spend a day in Wallowa county. Nobody knows how many persons will come on the excursion. The number has been estimated from 100 to 300. Elaborate plans must be made for their entertainment in creditable manner.

The first airplane to come to Wallowa County is shown in this picture taken at the fairgrounds in 1915.

### 75 YEARS AGO July 11, 1946

At an impressive ceremony and program Sunday the community playground and nursery at the Joseph Church of Christ was dedicated. The highlight of the afternoon was the burning of the church mortgage. Mrs. Sarah Whitman, the oldest member of the church, lit the match that burned the paper.

Rooms will be needed to accommodate a large num-

ber of visitors during Chief Joseph Days. Anyone who can make available an extra room is asked to list it at the Chief Joseph Hotel in Joseph. A rate of \$3 for a room with a double bed has been recommended.

According to census takers there were 113 mules in the county last year and 4,682 horses. The number of horses was approximately 2,000 under the 1940 figure, indicating the rapid shift to

power-driven farm machinery. In case anybody is interested, there were 30 goats in the county, 30,781 chickens and 479 turkeys.

### 50 YEARS AGO July 8, 1971

Neither driver Lewis Larm nor passenger Don Savage, both of Wallowa, was seriously injured in an auto accident at Wallowa Lake that totaled the vehicle they were riding in and

placed both of them in Wallowa Memorial Hospital.

Three of the members of the VFW Auxiliary from Enterprise who attended the Department Convention at Roseburg brought home the first place trophy for membership. The ladies are Elizabeth Laughlin, secretary; Bessie Rynearson, membership chairman; and Helen Guthrie, president.

Janie Birkmaier, Junior Past Grand Charity, and

Kathy Grote, Junior Past Grand Hope, recently returned from the 45th Session of Oregon Grand Assembly International Order of the Rainbow for Girls at Gill Colliseum in Corvallis.

### 25 YEARS AGO July 4, 1996

The Forest Service is investigating a tremendous upswing in vandalism the past several weeks. Since the first of June vandalism has struck the Boundary, Lostine, and Hurricane Creek campgrounds and the McCully and West Eagle trailheads.

The first farmer's market of the year, near Blue Willow Sausage in Enterprise, was small and successful last Saturday. Only four vendors attended but each was pleased with sales.

The Joseph Community Center overflowed with people at the opening night reception of this year's 14th annual Wallowa Valley Festival of Arts. Co-chairman Martin Hamilton described the festival as very successful. Joseph artist Ramon Parmenter received the People's Choice award for the second year in a row.

Thank you, dad, You were raised on a strawberry farm in Silverton OR by father Rudy and mother Margaret.

Thank you for the 58 wonderful years you devoted your heart and soul to our mom, your wife Jackie. Together through everything, good times and hard, through all the adventures we shared together.

Thank you for being a wonderful father to Julie, Joell and Jeff. You loved and taught us to always do our best. In our eyes you are a true hero. Thank you for being a grandfather to seven grandchildren and seven great grandchildren.

Thank you for your service in the U.S. Army, a true patriot who loved your country and the constitution.

After college your degree in forestry lead you to the U.S. Forest Service where you became the first fire crew helitack foreman at memaloose near hat point. Your bravery is to be commended for fighting many forest fires and keeping your crews safe. Later on being a fourth generation wood craftsman you built many homes throughout your 53 years in Wallowa County. Some very beautiful log homes and even our beloved Vali's restaurant at Wallowa Lake.

Thank you for the nine years in Alaska building your own boat and commercial crabbing with Jeff in Wrangell. The memories will always be treasured. Being an avid outdoorsman, we went hunting, fishing, camping and backpacking. You sailed your boat with mom and Jeff through the inside passage in Alaska from Wrangell to Seattle.

Thank you for all the fun times hunting agates and old bottles around the Sumpter area, and exploring old ghost towns. We never lacked for adventure.

Thank you for years of hard work, sacrifices and dedication. We respect and love you very much. Thank you for your faith in the Lord. Dad, you have spent a lifetime earning the peace you can now enjoy. Although we are grieving, those of us left behind are taking solace in knowing that you are now free from pain and illness. A lifetime of the greatest of memories will replace our sadness as time moves on. Your memory, your smile, your laugh, we will carry in our hearts for the rest of our lives, and stories of you will be passed on. Until we see you again in Heaven, we love you and thank you for everything you were, rest in the peace of our Lord.
