THE DIRECTOR'S TAKE

"My actors are incredible. Each one has captured the essence of their character. Each one of them is so very good."

— TERRY HALE, DIRECTOR OF "TUCK EVERLASTING"

"It's a lot of fun, a lot of humor," Hale said.

He's wanted to do "Tuck Everlasting" for several years, but it never worked out — until now.

"The cast just lined up," he said. "My actors are so incredible. Each one has captured the essence of their character. Each one of them is so very good. It's magic watching them on stage together."

The cast includes Fern McConnell, Liam Bloodgood, Hunter Adams, Russ Buckley, Karen Taylor, Danny Bailey, Wes Rampton, Grant Deem, April Van Tassel and Misty Hines.

The set is designed by scenic artists Jon Hanley and Beth Wasley.

"The set is going to be stunning," Hale said. "Art from floor to ceiling."
