

Dear Santa,  
I can't wait for it to be December because it will be Christmas and I can't wait. I want a toy off-road truck toy and a new lego set dragster + general lee. How are the elves? Has Mrs. Claus baked any cookies? How are the reindeer? Are the elves doing good?

He would like new black basketball shoes. I want Olive to get a new saddle for her horse. I want my Dad to get new Christmas ornament that you put on the tree. He may like a picture of a bird on it.

Dear Santa,  
I would like my Dad to have a He-man water bottle sticker. He just loves He-man. He would also like a dirt bike water bottle sticker. Mom would like makeup and fingernail polish. You know the sparkly fingernail polish. She likes red, brown, green, but she doesn't like purple and pink. She also likes to put different nail art on her fingernails. My brother Carson would like a new Lego set. Lego set city is what he would like. Carson would also like a bb gun. His old bb gun won't shoot. My Yaya would like new thread for sewing. She sews tons of stuff. Like if I have a hole in my jeans she could just use a jean patch and sew it. She also likes Christmas gnomes. Grandpa might want new tools. He might also like a new orange hunting hat.

Dear Santa,  
Can you please get my sister Hadley a baby doll? I would like for my dad to get cooking utensils to cook meat. I love it when he cooks me steak on the bbq. My mom would like earrings and candles. She would like tealish earrings. The smell of the candles can probably be like lavender. Please get my Grandma new earrings too, make them greenish. My PaPa would like to get new tools for building.  
Merry Christmas!

Dear Santa,  
I really want my PaPa to get a new camouflaged hunting jacket. He needs it to be a winter jacket because he already has a summer one. I want Nanee to get a new dog. She would like the schnauzer kind, a black one. My Uncle Joe's baby could use some baby toys. Tell Rudolph Hi for me!  
*Cali Charbonneau*

Dear Santa,  
My brother Dawson might want a red model car. Abby my sister would like a new baby doll or new unicorn toys. My mom would like a new candle. She would like a white candle that smells like mint. My dad would like a new black vest. It is made for keeping you warm. He has one but it is old, and has holes he has to duct tape so it doesn't really work anymore.  
Happy New Year!  
*Wes Hale*

Dear Santa,  
I want you to get my Dad a Nintendo Switch so that me and him can have fun playing with each other. I also want to give Kellen a new console. I wanted you

to give my mom a Nintendo controller, but she already bought one. My mom would like a new computer, one that has a drawing pen with it. I would like to give Ms. C a beehive to stay in her backyard.  
Happy Christmas!

Dear Santa,  
Let's start with my sister London first. She is the easiest one. She would like a fluffy spotted bunny. She has been begging dad for one. We have a little cage, and when it is older it can maybe go into the cow's pen. Mom would like body lotions. She would also like more seeds for next year's garden. She would like seed for potatoes, celery, lettuce, and tomatoes. Also some sunflower seeds. For my cousins, Jacob the oldest like to build and fix things so he needs tools for this. Ethan is a hard one, please get him a survival kit like the one we have that he wants. Eli likes trucks so please get him a new toy truck. My cousin Emery is really artsy so get him a new art kit.

My dad would like a day off. He really deserves this because he always works really hard. My Grandma wants another wooden spatula because hers is worn out, she got it 2 years ago. My Grandpa should probably have a day off. He does music at church and he works at the foundry. I think you should also get my dog a bone because she likes to play a lot.  
MERRY CHRISTMAS SANTA!  
*Olive Sams*

Dear Santa,  
Can you give my baby brother a toy? He would like a toy truck. He likes green and blue and red. For my brother Sean get him a flip phone and he would like it to be gray. My brother Collin would like dinosaurs. He would like a dinosaur suit with claws. For my sister Hailey she needs a science book. For my Mom a BTS shirt. My Dad would like a double barrel shotgun so we could go hunting this year. I think that would be good.  
Love to All,
