Dear Santa,  
My family would like a new sofa, 4 tickets to Disneyland, a new house, and a dog. My pet Georgey a big tank and Charlee, my sister, would like a new backpack. For Christmas, I'd enjoy a polaroid cam. Or a new tablet - it would be nice. My world wishes are to stop world hunger, all homeless people have homes and money to let them buy nice things for their houses. Wouldn't it be nice if Covid ended??!
