

# ACE Writing Project features poet Nancy Christopherson

Go! staff

**L**A GRANDE — The monthly Art Center East Writing Project continues in a virtual format this month. The gathering — via Zoom — begins at 7 p.m. Wednesday, March 16. To join, go to [artcentereast.org/calendar](http://artcentereast.org/calendar). Click on the event, then click on the link to access the Zoom meeting.

The ACE Writing Project, held the third Wednesday of each month, features author readings. Following the featured reader, there is an open mic for anyone interested in sharing an original piece. Writers of all genres are welcome, but readings should be less than five minutes.

The Writing Project facilitators are Nancy Knowles and Amelia Ettinger. To view past readings, visit [artcentereast.org/events/ace-writing-project](http://artcentereast.org/events/ace-writing-project).
