Rock Botham

4/6/55 - 2/14/22

Rock Botham was born in April of 1955. He was raised into the man he was by his mother and step-father Marchieta and Bob Blank, his older sister Terry, and older brother Zane.

Rock's lifelong love for horses started early on while spending time with his Grandpa Roy and Grandma Aggie and continued to grow when Bob and Marchieta owned and operated a pack station for the Boulder Park wilderness area where Rock learned the art of packing horses and leading pack strings into camps in the mountains. After selling their pack station Bob and Marchieta started managing Anthony Lakes Ski Resort. Rock learned how to ski and spent most of his free time on the slopes. Rock and his family then moved to Rexburg, ID, when his stepfather was asked to help build and run Grand Targhee Ski Resort. Rock said he never played sports or participated in extracurriculars while in high school because he would rather be skiing. After graduating from Rexburg High School, Rock went to college at both University of Utah and Utah State. He helped Bob and Marchieta manage Bullfrog Marina on Lake Powell, and eventually went back to Cove, OR, where he and his brother learned the trade of logging and worked for their father, Gene Botham's, logging business. Rock moved to Wallowa County where he worked for the Wallowa Lake Pack Station. While working there he met and married Mallie, and had two children, Dusty and Jessie. He was hired on to the Zacharias Logging crew as a hand cutter in the late '70s and never tired of logging and continued to log up until a few months before his passing. When Rock wasn't working his full-time job, you could find him training horses, building fence, calving for local ranchers, packing his family in the Eagle Caps horse-back, hunting, helping anyone in need, skiing, sitting in his yard in the shade, and "just putting around," as he always said.

Rock is preceded in death by his mother Marchieta Blank, stepfather Bob Blank, grandparents Roy and Agnes Sheppard, and father Gene Botham. Rock is survived by his sister Terry (Chuck) Warriner, brother Zane (Sheba) Botham, son Dusty (Stacie) Botham, daughter Jessie (Collin) Cunningham, and grandchildren Wyatt and Harlowe Botham, and Codi, Kylee and JoLee Cunningham.

Joseph edges Enterprise on the basketball court

OUT OF THE PAST

Compiled by Cheryl Jenkins

100 YEARS AGO

March 16, 1922
Playing against luck and Joseph, the Enterprise high school basketball team went down to defeat Saturday in the best game ever seen on the local scene by the score of 29 to 28. Joseph now holds the district title and goes on to the state playoffs. In honor of their winning basketball team, Joseph gave a big community dinner at Roup's hall which was attended by about 500 people. Joseph is justly proud for they won in a fair race by good, clean sportsmanship. A handsome white porcelain drinking fountain has been installed in the Enterprise State bank, for the benefit of patrons and employees. It was donated by A. R. Thompson as the tribute of a satisfied customer.

Salaries for Enterprise teachers were set ranging from \$1900 for a beginner teacher to \$2300 for the grades, and from \$2600 to \$4000 in the high school. The state police are investigating what appears to have been an explosion at the Canyon View lodge on the Flora highway. A muffled explosion was heard about 3 o'clock in the morning followed by a crash and a tremor through the house. The damage indicates that
