# New Minam grade opens

**OUT OF THE PAST**

Compiled by Cheryl Jenkins

**100 YEARS AGO**

**Aug. 10, 1922**  
 The old Wallowa hill, so long a terror to travelers, is a thing of the past. The new grade starting from Minam, winds in gradual ascent along the river. At no place does the grade exceed the regulation seven percent. This marks the end of the old pioneer grade up Wallowa hill.

Thirty eight years ago this week, quite a time for a newspaper to serve a community. The Record Chieftain has never for one minute lost faith in Wallowa county and is still convinced that this is one of the best countries on the face of the earth.

When a shipment of cattle from the north end was driven thru town last week, the need of a stockway was again apparent. The farmers did their best to work the cattle thru without getting on a lawn or parking, but this was not possible, as the only streets open were those with well improved grounds.

**75 YEARS AGO**

**Aug. 14, 1947**  
 Six local boys will leave this week for McChord Field to attend a two week civil air patrol school: Robert Long, Melvin Lay, Fred Warnock, Jack Ferguson, Keith Hefling and Ronald Dolan.

The CJD celebration showed a net profit of about \$6,500, not including the cost of the new rodeo grounds. About 8,000 people saw the rodeo shows on the two days.

Over 700,000 fish were liberated from the Enterprise hatchery during the past two weeks, bringing

the total number liberated from the local plant this year up to one and one-half million, the largest production at the plant in the history of its operation.

**50 YEARS AGO**

**Aug. 10, 1972**  
 Six-year old Randy Rayburn, son of Mr. and Mrs. Bud Rayburn, was selected the first recipient of the Jaycee certificate for bicycle safe driving.  
 Jack Wagner was the \$400 winner of the Shrine drawing held during CJD. He had the choice of a trip

to Disneyland or the \$400. Smoking remains is all that is left of a huge barn and hay stack that burned at the Haun Bros. ranch at Lostine. There was between 250 and 300 tons of hay of hay in the barn when it burned. A six-year old boy apparently had set the fire.

**25 YEARS AGO**

**Aug. 7, 1997**  
 Federal reimbursement moneys for Innaha Road #727 which was damaged in the New Year's flood of 1997 have come in the amount of \$1,645,703; the county has spent \$1,670,565 in the repairs.

Ten-year old Chelcee Noland won herself a blue ribbon at the Wallowa County 4-H Horse Show in the junior class showmanship competition.

School spirit will rise this year at Joseph High School if five young ladies recently back from a national cheerleading camp have anything to say about it: Anna Schmeck, Rikki Barton, Shawnta Nelson, Brandy McDonald and Jennifer Paremore.

Jim went on to serve in the US Army in Vietnam from 1966 to 1968. He then went back into the cattle business for some years. Then, in 1989, he began working for Nelson Irrigation in Walla Walla. It was there that he met Carol Pemberton, who was to become the love of his life.

**Gloria Bainter**  
 June 19, 1935 - July 27, 2022

Gloria Bainter passed away July 27, 2022 after fighting cancer in blindness for over seven years. She was a trooper.

Gloria was born to Thelma and Russell Heschele June 19, 1935, in Burbank, California, and moved around California throughout the years.

Everybody remembers her as the smiling, friendly checker and pharmacist assistant at Safeway for 35 years. She really enjoyed working with the public.

We also remember her beautiful music she made with her violin and viola in the Grande Ronde and Oregon East Symphony orchestras. She loved playing for audiences anywhere. She started playing the violin at the age of 7. Her first public performance was at the American institute of music at the age of 9, and she started teaching at the age of 14.

In 1953 she married Richard (Dick) Bainter and in 1969, moved to Enterprise, Oregon, with their daughter, Sandy, and they knew they'd found their forever home. She could finally have her horses.

She loved to knit, quilt, crafts of any kind, painting and drawing, she was a true artist. She loved helping people and was involved in St. Katherine's Women's Guild and Wallowa Memorial Hospital Auxiliary for decades.

Gloria is survived by her daughter, Sandy (George) Fuller; her granddaughter, Shasta (Josh) Anderson; great-grandson, Dakota; great-granddaughter, Evelyn; and lots of California cousins.

We'll all miss her beautiful smile and music, but she can see, dance, and play her music once again.

The funeral will be held on Saturday, Aug. 20, at St. Katherine's Catholic Church. The Rosary is at 10 a.m., with the service at 10:30 a.m. and a luncheon at the hall afterward.
