If Hair Is Turning Gray, Use Sage Tea

Don't look old! Try Grandmother's recipe to darken and beautify faded, streaked hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

CATARRHAL DEAFNESS MAY BE OVERCOME

If you have catarrhal deafness or head and ear noises or are growing hard of hearing go to your druggist and get 1 ounce of Parment (double strength) and add to it 1-4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take.

Catarrh.

Quickly Ended by a Pleasant, Healing Antiseptic Air. Just Breathe It

The little hard rubber Hyomei inhaler which you can get at Daniel J. Fry's or any reliable druggist can easily be carried in pocket or purse. It will last a life time.

Into this inhaler you pour a few drops of the pure healing oil of Hyomei.

This oil is absorbed by the antiseptic gauze within and now you are ready to breathe it in over the germ-infested membranes where it will speedily begin its work of banishing catarrhal germs and ending catarrh. Hyomei is made of Australian eucalyptus combined with other antiseptics and is very pleasant to breathe.

It is guaranteed to banish catarrh, bronchitis, influenza, tonsillitis, sore throat, croup, coughs and colds or money back. It often cleans out a stuffed up head and opens clogged nostrils in two minutes.

Complete outfit, including inhaler and one bottle of Hyomei, costs but little, while extra bottles, if afterward needed, may be obtained at any druggist for a few cents.

Doctor Issues Warning and Tells How To Stop Tobacco Habit

New York: Dr. Connor, formerly of Johns Hopkins Hospital, says: I am often asked if I know anything to stop the tobacco habit and I always recommend Nicotol, which I have proscribed with great success. Nicotol contains no habit forming drugs, is absolutely harmless and produces astonishing results in a very short time.

If you want to free yourself from tobacco go to any drug store and ask for Nicotol tablets. Take one tablet after each meal and in a short time you will have no desire for tobacco—the craving will have left you.
