

PARITY OF BULK AND BOX RATE ON APPLE SHIPMENTS OPPOSED

Because it is the consensus of opinion of apple dealers and shippers throughout Oregon that the indiscriminate shipping of bulk apples to eastern markets would be detrimental to the enviable reputation established by Oregon apples, the public service commission declines to assist in putting bulk and box shipments on a parity as to rates. The information is set forth in a letter addressed to G. L. Davenport of Portland, who wrote the commission asking that a rate of \$1.05 a hundred on apple shipments in bulk to St. Joe, Mo., be established. The rate is the same as that in effect on box shipments.

The commission den's entirely with the market side of the case but calls attention to the economic situation which might result were the rates on the two classes of shipments made equal. At present there is no fixed rate for bulk shipments but the railroads have habitually rejected such shipments because of the difficulty in proper handling.

The commission points out that special commodity rates on bulk shipments of apples to canneries in Oregon have been established and extended as far as North Dakota which is the farthest point which apples can be shipped safely in bulk.

TEMPORARY HIGHWAY CROSSING IS SOUGHT

Order was given by the public service commission Tuesday reopening the matter of the application for the establishment of a temporary crossing over the tracks of the Oregon & California Railroad company's line at Myrtle Creek. Signers of the application are R. W. Masters, county judge, E. H. Pinkston and B. F. Nichols, county commissioners of Douglas county. Petitioners urge the crossing is necessary to connect the Myrtle Creek-Roseburg section of the Pacific highway. The state highway commission has also applied for a temporary crossing at the point until such time as an undergrade or overland crossing may be established.

The Helman street crossing over the Southern Pacific tracks at Ashland is designated as a stop crossing by an order given Tuesday by the Public Service commission and the railroad company is ordered to erect suitable signs.

The matter of the hearing on the establishment of an agency station at Swishome is dismissed by order of the commission the agency having been established.

The Silverton Lumber company is granted authority to construct an overhead crossing of its logging railroad across the Stayton-Mehama road, in an order issued by the public service commission this morning. Permission is granted in another order for the construction of another crossing at common grade over the same county highway.

OUR LIGNITE DEPOSITS

It is stated that in the United States there are known deposits of lignite aggregating 150,000 square miles in extent, containing about 100 billion tons of this fuel.

DALLAS TURNS DOWN BIDS ON SEWER WORK

Dallas, Or., Oct. 29.—At an adjourned meeting of the Dallas City council held Monday night that body after a short deliberation rejected the bid of L. O. Herrold, of Salem, for the construction of the Maple Street Sanitary and Relief Sewer and also the bid on the storm sewer system.

Mr. Herrold was the only contractor offering a bid on the projects, his price for building the Maple street sewer being \$33,266.30 which was \$15,266.30 more than the estimated cost of the sewer made by City Engineer.

Real-Fruit Desserts

Jiffy-Jell is flavored with fruit juice essences in liquid form, in vials.

A wealth of fruit juice is condensed to flavor each dessert. So it brings you true-fruit dainties, healthful and delicious, at a trifling cost.

Simply add boiling water. Compare it with the old-style gelatin desserts. It will be a delightful revelation.

eer H. M. Rodgers. Mr. Herrold gave as his reasons for the high cost of construction that the work would be done in the winter months and on account of the weather not as much work could be accomplished in a day as at any other time of the year.

The bid on the storm sewer system was also quite a bit higher than the city engineer's estimate, being \$15,266.30 against the engineer's estimated cost of \$5,149.

The councilmen were all of the opinion that if the work was laid over until spring and then properly advertised among the contractors of Portland and other cities the work could be secured at a much cheaper figure.

WOMAN GETS COMMISSION

San Francisco, Oct. 28.—Mrs. Muriel Window Keane of Seattle who, as an entertainer during the war, danced before 54,000 Canadian soldiers on the troop ship Cranston, was commissioned honorary commander by the Canadian government upon her arrival here on the Sonoma from Sydney.

Tacoma Will Not Tolerate "Attempt To Freeze Regime"

Tacoma, Wash., Oct. 29.—That the state will not tolerate any "attempt to starve and freeze the government into submission" was the notice served by Governor Louis Hart here late yesterday on President Robert Harlin, Secretary Ernest Newsham and the members of the United Mine Workers in this district.

Ed Flogg, a resident of Dallas, disappeared October 12, and officials and his brother in Portland are trying to locate him.

J. C. Perry

They Come To Us

BECAUSE they know we have the latest, snappiest of clothes, the best clothes, they wear longer, give more satisfaction and appear to BETTER advantage while in service.

Do You Want More Than That?

WELL, he will give you more than that; you know you cannot make a mistake here because we stock only one kind of goods—the best only.

WE suggest BOYS' SUITS now, for colder weather. Perhaps his suit is not quite heavy enough. The latest shipment arrived has some features that have not appeared before in boys' suits. THEY are completely lined, heavily reinforced at the critical points, thus saving mending. THIS SUIT by detaching a belt will make a different model for the boy.

OUR stock of BOYS' FURNISHINGS are the largest and most complete to select from. BRING your mother in to view these new models at BISHOP'S.

Men's Cravats

In the many beautiful shades and colors that are in such bewildering profusion. THE latest effects are the IMPORTED GRENADINES from Italy.

They come in all the popular colors and will outwear several ordinary ties.

"Bishop's Fabric"

Are manufactured into the finest shirts for Young America.

WHEN they once wear one they have a wonderful smile as they know they have the warmest and most stylish garment on the market today—it will help them fight the "Flu" in avoiding colds this winter.

BISHOPS FABRICS

Camel Cigarettes

CAMELS are as delightful to your taste as they are new. And, so satisfying that they meet every cigarette desire you ever have had.

Camels are unusual; in fact they're unlike any cigarette you ever smoked. That's because they're an expert blend of choice Turkish and choice Domestic tobacco, producing a quality that meets your taste as no other cigarette ever did.

Camels' expert blend gives that mellow-mild-body and frees the cigarettes from any unpleasant cigarettey aftertaste or any unpleasant cigarettey odor. You can smoke Camels as liberally as you like without tiring your taste.

You have only to get personally acquainted with the expert Camel blend to know that you prefer it to either kind of tobacco smoke straight!

For your own satisfaction compare Camels with any cigarette in the world at any price!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

WATER PERMITS

W. S. Powers of Corvallis filed application Monday with State Engineer Percy A. Cupper for permit to appropriate water from Little Jack creek for the irrigation of 400 acres, the development of 120 horsepower and for domestic purposes near Prescott in Columbia county.

Application for water from the South Umpqua river for the irrigation of 240 acres was filed by J. L. Clough of Canyonville.

Start Tomorrow And Keep It Up Every Morning

Get into the habit of drinking a glass of hot water before breakfast. Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles according to hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation. (Adv)
