

LIBERTY SCHOOL IS GIVEN RATING WITH BEST; SOCIAL HELD

Similar to city systems Liberty school is now privileged to have departmental work in art, music, business penmanship and gymnasium, which includes folk dancing and military drill. Miss Parkhurst teaches art for the entire school and gymnasium for the girls two days in each subject each week. Miss Hastings instructs from intermediate up in music three days a week. Mr. Webby alternates daily between the intermediate and advanced grades in business penmanship. He also gives military drill to all boys above the fourth grade twice a week. Such a plan has given variety to the work and created much interest besides permitting specialized effort in certain subjects.

Enrollment Big.

Liberty has enrolled 35 pupils in primary, 40 in intermediate, and 26 advanced, making a total of 102. Several families have left the community since last year, but many more have moved in.

Hallowe'en Social Held.

Those of Liberty community brought refreshments to the hall and gathered for a social time, Friday evening. Following many delightful games supper was served as one general spread. The Hallowe'en spirit was there among the grownups as well as the young. The lights mysteriously went out a few times, boys and girls bit at or bobbed for apples, many sought the fortune teller, and then a track meet of ten events followed. These and other games filled the evening. Much credit is due Mr. Mumford for conceiving of this social and for the success of the evening.

School Is Improved.

The following improvements and additions have been made to the school house this year: a concrete foundation for stairway in rear has been laid, two revolving chairs and a new dictionary stand have been purchased, and the glass has been repaired and tuned. The wainscoting of the building has been painted and the floors oiled. The building has been cleaned and repaired throughout.

Court News

Arguments in the case of the state vs. the Maurits Klinger estate, in which the state treasurer's office is seeking to increase the appraised valuation of the estate from \$76,000 to \$99,000 were heard by Judge Bushey of the Marion county court, Monday and the case taken under advisement by Judge Bushey.

Claiming that her husband, J. L. Cooper, accused her of being in love with other men, and that he often pursued and "shadowed" her in attempts to find her in the company of other men, Mrs. Marie F. Cooper, Monday started suit for divorce in district court here.

They were married in Salem, January 21, 1905. Mrs. Cooper asks for ownership of half of the property of her husband, valued at \$3,000 in addition to a divorce.

Seeking an order from the district court compelling Adan Orey, W. S. Bishop and the Oregon Electric company to abide by the terms of a certain hop contract, Harry L. Hart Monday filed suit with the county clerk. Hart also asks \$1500 for attorney's fees on the suit, and an order restraining Orey, Bishop and the company from taking further action on the contract.

Hart claims that he recently came into possession of a contract held by George Bird & company with Orey and Bishop, calling for the transfer of 75,000 pounds of hops. Toward the costs of these hops George Bird & company had paid \$200, according to Hart's complaint, before he became owner of the agreement.

Several weeks ago, Hart claims, he went to a warehouse of the Oregon Electric company to look at his hops, and that there he met Orey and Bishop who refused to let him see and inspect them. This, Hart says, is a violation of the contract. This attitude has been maintained by the defendants, Hart claims, although he has offered to pay the remaining money pending in the contract.

A motion of attorneys for the United Brewers company, recently a defendant in a suit for judgment brought by J. W. Collins, farmer in the Lake Labish country, for a new trial was overruled Tuesday by District Judge Ringham, of department No. 2. Collins secured judgment against the company after testimony proved irregularity on the part of the firm in handling a shipment of onions for Collins.

An order appointing L. H. Osburn administrator of the estate of Nina Nichols, who died in Malheur county May 8, 1917, was made Tuesday by County Judge Bushey. The only heir

Eliza T. Wilson, widow of George M. Wilson, who died here July 29, 1919, was made administratrix of her husband's estate by an order of County Judge Bushey today. The estate is valued at \$5000.

DEATH BEATS PLANS TO BRIDGE DISTANCE

St. Paul, Minn., Nov. 3.—Two plans to bridge distance to save life were beaten early today by death.

John Hevlin, here on business, learned his "sonny," John Hevlin Jr., one year and one week old was dying. The mother at Pawnee, Okla., said there could be nothing done for the baby.

Hevlin first arranged with a specialist in children's diseases here to direct a delicate operation by telephone from here while a physician in Pawnee, carried out the long distance instructions. At the last-minute it was decided telephone connections might make this hazardous.

It was then determined to fly by airplane to Pawnee at daybreak today. At one a. m. the telephone message came that the child was dead.

COMMITTEES REPORT GOOD ROLL CALL RESULT

Cross during the roll call, November 2-11, will be given a button and a window service flag. The service flag consists of a large red cross on a white background, with the figures "1920" in blue, beneath the cross. The flag should be displayed when the first member of the family joins, and should be kept on display throughout the year. As other members of the household join, additional service stars will be placed in position on the flag. Homes that do not display service flags will be solicited again during the last two days of the roll call.

Local Chapter Efficient. Mrs. A. J. Rahn, chairman of the third Red Cross roll call, received a personal communication today from C. D. Stinson, war time division manager and chairman of the advisory committee of the northwestern division of the American Red Cross, expressing his appreciation of the work that the Willamette chapter is accomplishing. As additional proof that the work of the chapter is duly noticed, the following article appeared in the last Red Cross Bulletin, issued from division headquarters in Seattle:

"With the exception of the Spokane and Portland chapters, the Willamette probably has more branches than any other chapter in the northwest division, comprising the rich and populous counties of Marion and Polk. It has the largest membership of any chapter in Oregon outside of Portland, and is authorized to send in a whole book of membership blanks, twenty names to the blank."

Marriages And Births Mount With War Over

New York, Nov. 4.—(United Press.)—When Mars stepped out, Cupid stepped in.

And now—practically a year after signing of the armistice—births and marriages for last month show a decided increase over the same month last year, according to nation-wide reports gathered by the United Press today.

In many cities the births and marriages for October of the present year are nearly double those of last year. Oklahoma City's babies jumped from 82 in October, 1918, to 160 in 1919 and marriage licenses increased from 57 to 157. Atlanta added 352 youngsters to its population this October, compared with 243 last year. Kansas City has 547 new babies last month compared to 479 a year ago.

In Chicago 4480 couples marched to the altar last month. A year ago only 1881 licenses were taken out. In Denver the figures more than doubled, 307 marriage licenses this October to 148 last year.

THE EASIEST WAY TO END DANDRUFF
There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.
By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.
You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.
You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

The first assembly in observance of National Better Speech, held Monday afternoon at the senior high school building, was a student-body sing led by Mr. Davison, director of music. Principal Nelson and Ralph Wilson, president of the student body, made introductory remarks in keeping with the occasion. The verses used for the songs were written by Audra Bunch, Lucile Matlock and Ralph Hamilton, all students of the high school.

President's Message May Ask Government Ownership

Washington, Nov. 4.—After a conference with Secretary Tumulty at the White House, former Senator Lewis of Illinois predicted that the president's message to the December session of the congress would contain recommendation that the government purchase coal mines, coal fields, oil fields and oil lands throughout the United States.

No Need To Be Thin, Scrawny Or Sallow

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of; if the skin is sallow or subject to pimples or blackheads, take Mi-o-na stomach tablets for two weeks and notice the change.

The majority of the thin people are thin because the stomach does not perform its duties properly. It is not secreting sufficient of the natural digestive juices and in consequence does not extract from the food enough nutritive matter to nourish every part of the body.

Mi-o-na stomach tablets are intended to build up the stomach so that it will act properly and extract from the food the elements necessary to form flesh. If you are thin try two weeks treatment of Mi-o-na stomach tablets—they are small, easily swallowed and are sold on the guarantee of money back if they do not overcome chronic indigestion, acute or chronic, stop stomach disturbance, belching, heartburn, sour stomach, and any after dinner distress. For sale by Daniel J. Fry and all leading druggists. (Adv.)
