WILLAMETTE PAYS DEARLY IN BRUISES FOR CHEMAWA WIN

The Willamette Bears paid a pretty heavy price for their Redskins meat in the fray of last Saturday as attested by the number of men on the bench for serenade Monday afternoon.

Not only has the situation of the crumpled put a rictus on the Wesleyan spirit for the big contest with 'P. U.' but the wet weather is likely to interfere with bonfire celebration for Friday night.

Lipton Will Inspect His Challenge Yacht At Once

Hullfax, N. S., Nov. 4.—Sir Thomas Lipton will inspect the Shamrock IV immediately upon his arrival in New York, he said here today.

The English sportsman arrived on the Carmanlia from Liverpool. Lipton plans to spend only a short time in America, he said, but will return for an extended visit during the cup races.

Eight cars, four of sheep and four of cattle, were shipped out of Prineville Sunday over the City of Prineville railway.

EXCESSIVE ACIDITY is at the bottom of most digestive ills. KI-MOIDS for indigestion afford pleasant and prompt relief from the distress of acid-dyspepsia.

Thousands Have Kidney Trouble And Never Suspect It

Applications for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions.

An examining physician for one of the prominent life insurance companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people.

WASHINGTON STATE AND OREGON FIGHT TO REPRESENT WEST

Pasadena, Cal. Nov. 4.—Great interest centers in southern California on the outcome of the University of Oregon-Washington State football game scheduled for Portland Saturday.

This game may decide the team which will represent the west in the annual east-west football classic to be played at Pasadena New Year's day.

Washington State, experts feel, eliminated the University of California by its victory Saturday before last, while Oregon's win over the University of Washington last Saturday put the web foot bunch in the running.

A meeting will be held here next week to consider preliminaries for the big game.

POST IS ONE ACTOR PLAYING BIG CITY RUNS WITH SUCCESS

Guy Bates Post is one of the very few players who remains long in one play and yet finds it easy to command general interest in the major cities.

Most actors who would be prosperous, base their appeal largely upon frequent changes of play and frequent return to a few cities of the first class.

AGGIES TO HOLD BIG RALLY BEFORE GAME

Oregon Agricultural College, Corvallis, Nov. 4.—The bonfire tradition of former years will be revived for the Oregon Aggies. The freshman class has volunteered its services in preparing this big feature of the rally that will precede the big game at Eugene on November 15.

A mammoth pile of old boxes, boards and brush will be built up by the rooks during the week preceding the game guarded from those who might set fire to it prematurely.

That no further complaints may be made, the student council has issued a set of three regulations which must be conformed to by those staging this feature.

BOXING

New York, Nov. 3.—Take this for what it's worth.

James J. Corbett, through his press agent, declares that in seven years he is going to return to the ring and take on a clever youngster in his teens.

The former champion announces that he wants to prove that a sixty year old man doesn't need the much discussed "land treatment" to keep young. He's now training for the fight in 1920.

COMMISSION OPENS HIGHWAY BIDS TODAY

Portland, Or., Nov. 4.—The state highway commission met here today to open bids on the construction of more than 150 miles of roads in eastern and southern Oregon.

The bids will be tabulated today and contracts awarded tomorrow. The commission advertised for bids on the following projects:

UTAH MINERS STILL OUT; CALL CANCELLED

Salt Lake City, Utah, Nov. 4.—The majority of the Utah coal miners who went out last week, anticipating the nation wide strike, still remain on strike, although a few have returned.

Utah coal miners will hold a convention Sunday at Helper to decide their attitude towards the national strike.

Troops from Camp Kearney, enroute here, probably are intended as reinforcement for 100 men under Colonel Byram, commander of the Third war division barracks.

Byram is at Helper at the request of all the departments. No disturbances have been reported.

Modesto Selected As Site For Mooseheart Of Pacific

Modesto, Cal., Nov. 4.—Modesto has been selected by Loyal Order of Moose as the home for the new \$2,000,000 Mooseheart of the Pacific coast.

The Shrewd Young ranch, consisting of 500 acres, will be purchased by the Moose for the home.
