## NORTH DAKOTA.

Bismarck, N. D., Nov. 4.—Governor Frazier today called a conference of North Dakota coal operators for tomorrow afternoon to discuss his proposal that the state operate the mines during the nation-wide coal strike. It is understood miners of this state will join the strike unless their demands are met, as a result of this conference.

Governor Frazier continued his conference today with District President Henry Drennan of the United Mine Workers. Drennan had ordered the North Dakota miners to remain at work pending negotiations with the state government.

From Independence, Dallas' rival for the title of the most important town in Polk county, comes E. A. Foster, a guest today at the Bligh hotel.
