LOCOMOTIVE REPAIR AND MACHINE SHOP IN DALLAS ASSURED

Dallas, Or., Nov. 5.—At a meeting of prominent Dallas business men held in the Commercial club rooms Monday night, a new Dallas industry was launched which will mean a great boon towards building up the city.

The new concern is the Dallas Machine & Locomotive Works and has a capitalization of \$35,000, with Carl Gerlinger, R. L. Chapman and W. G. Vassall as the incorporators.

The new corporation is the result of the foresight of Mr. Gerlinger, who, as foreman of the machine shops for the Southern Pacific railway company in this city, has seen the need of such a plant where other work outside the regular line of railway work could be done. At present all the work on the logging locomotives of the various logging companies in Polk county and adjacent counties is done at the local shops merely as an accommodation, as they have all the work they can do on their own engines. With the new corporation will also be united the Dallas Iron Works, of which Mr. Gerlinger is a stockholder.

The construction of the big plant of the corporation will begin in the near future on land near the S. P. shops in the southern part of town. The construction which will be under the direction of Oscar Holmes, a Dallas contractor, will be rushed to completion as the corporation now have a line on an abundance of work. The plan will consist of two large buildings, one to be used as a machine shop and the other as repair shop for engines. The foundry will also be located in the machine shop building.

DALLAS BOYS SHOT HALLOWE'EN, RECOVER

(Capital Journal Special Service.)

Dallas, Or., Nov. 5.—Roy Waits and Ben Jones, the two Dallas boys who were shot and seriously injured while playing Halloween pranks about the residence of E. Fritz in the southwest corner part of this city last Friday night, are now well and on the road to recovery and have been moved from the Dallas hospital, where they were taken immediately after the shooting to their own homes.

Wait, who received some 50 shot in one of his hips, will probably be handicapped in walking for some time as some of the shot are believed to have lodged in the hip joint. The Jones boy will carry the marks of about 40 shot on him for the rest of his days, the right leg receiving the greater part of the charge.

E. Fritz, who did the shooting, was arrested and taken before Justice of the Peace John R. Shiley late Saturday night where he waived examination and was bound over to appear at the next term of the grand jury under \$1000 bail.

Shortly after the shooting Sheriff John W. Orr rounded up the gang of boys with which Wait and Jones were chumming and took several firearms from them. The boys had been shooting promiscuously during the evening and it is possible that this may have been partly responsible for the injury to two members of the gang.

SANTIAM RIVER OVER BANKS NEAR STAYTON

Stayton, Nov. 5.—The Santiam river was on a big rampage Tuesday, being the highest for several years, and connection with the Linn county site was cut off. Very little work on the part of the Linn county commissioners would put the road on their side of the river in condition so that every time the river got out of its banks crossing would be possible, but it seems they do not have much regard for the wishes of the people of the Kingston and Shelburn precincts.

Mrs. Rodgers and daughter of McMinnville, who arrived in town Monday on their way to Jas. Leffler's, in Linn county, for a visit were stranded. Mr. Leffler came to Stayton with his car to meet them, and got into high water before he reached town, but arrived here safely. However, when he was ready to return the river was too high to cross, consequently he and his friends were marooned in the city.

FUNERAL OF STAYTON MAN IS HELD TUESDAY

F. M. Munkers, who has been ill for several months from cancer of the stomach, passed away at his home in this city Sunday evening. He was an old resident of this community, and was 72 years of age. Besides his wife he leaves four children—Mrs. J. H. Mulchay and Glenn R. Munkers of San Francisco, and B. W. and Win. of Stayton. The funeral service was held Tuesday morning at the home, conducted by Rev. Reed, pastor of the M. E. church, and interment was made in Lone Oak cemetery.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels.

Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.
