

BABY CLINIC TO BE CONDUCTED WITH NEW NAME

Complying with the request made by the organization, formerly known as the Oregon Congress of Mothers, but now re-named the State Parent-Teachers' association, the members of the local chapter will hereafter be known as the Marion County's Children Bureau.

This was a part of the proceedings at the meeting held by mothers and women interested in eugenics and child welfare work in Salem Thursday afternoon in the auditorium of the Commercial club.

With Mrs. John A. Carson, president, presiding other matters of much importance were discussed. The membership fee of ten cents was raised to twenty-five cents, the fifteen cents secured above the initial sum that must be sent to the state chapter to be used for purchasing the necessary equipment here.

A membership campaign will be started at an early date, and it was thought that a lecture to the mothers, and a benefit entertainment could be arranged shortly.

Clinics hereafter will be from half past one o'clock to half past three, the next date to be November 20. Not over thirty children will be examined on one day. Mothers wishing to have their children tested should telephone or write to the Commercial club or the chapter's secretary, Mrs. E. Von Eschen, who will register the applicants accordingly as they are received. Official cards will be sent out, which are to be presented at the clinic.

The women named to secure the services of the specialists in charge on the next date were: Mrs. James Elvin; doctors (who must number at least one from out of town); Mrs. E. C. Patton, Mrs. N. C. Kafoury, eye, ear, nose and throat specialists; Mrs. E. E. Fisher, dentist; Miss Margaret Wishart, nurse; Mrs. W. H. Byrd, Mrs. Gail Church, Mrs. E. E. Fisher, Mrs. P. W. Selee, equipment; Mrs. C. C. Clark, Mrs. W. H. Steuloff, Mrs. A. F. Marcus, Mrs. W. M. Hamilton, Mrs. H. A. Smart, Mrs. Carrie Chapel, finance.

Teachers from the high school will be present to conduct a department in dietetics, and the librarians will be asked to lend books for the entertainment of the children.

Wants Whole World To Know

Mrs. Meyers Gains Twenty One Pounds Taking Tanlac—Troubles End

"I have gained twenty one pounds actual weight since I commenced taking Tanlac, and the troubles that have been causing me to suffer for ten long years have been completely overcome," said Mrs. Merthe Meyers who lives at Lankershim, Cal., while in the Owl Drug store in Los Angeles the other day.

"When I think of the great good Tanlac has done me," continued Mrs. Meyers, "I actually yearn to tell everybody in the world about it, especially those who suffer as I did. I had an aggravated case of stomach trouble which had been pulling me down for years and finally gotten the best of me. My condition was so bad for a long time that I had to live on a milk diet, and never dared touch anything else. Even this light diet would cause gas to form and I would be perfectly miserable for hours afterwards. My nerves were in terrible condition, and it was out of the question for me to get a good night's sleep. My husband spent hundreds of dollars for medicine and treatments, but I just kept on going down hill all the time. Specialist after specialist treated me, and one by one they told me that my case was hopeless. I was so blue and discouraged over my condition that I just felt like giving up altogether.

"I was looking over the paper one night and I noticed a statement about Tanlac, and when I told my husband that I had a notion to try this medicine, he laughed and said, 'Well, I don't suppose it will hurt you anyway, and if you want to try it I will get you a bottle.' Well, I commenced taking Tanlac then, and to my great surprise I felt a change for the better before I had finished that first bottle. Of course I bought more Tanlac, and when I had finished the second bottle my appetite had come back, and for the first time in ten long years I could eat a hearty meal without suffering afterwards. I have just finished my fifth bottle and I can truthfully say that I am as well and strong as I ever was in my life. We own and live on our own ranch, and I am going right ahead putting up my fruit all by myself. I never have a sign of stomach trouble or indigestion, and I can eat just anything I want. My nerves are in perfect condition, and oh, how I do enjoy the sweet, restful sleep I get every night. I really don't see how my health could be any better, and as sure as I stand here now, I owe it all to Tanlac. I am under lasting obligations to this wonderful medicine, and feel it my duty to give this statement so that I may help others who suffer as I did."

Tanlac is sold in Salem by Tyler's Drug Store, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Geoch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy, in Stayton by C. A. Beauchamp, in Aurora by Aurora Drug Store, in St. Paul by Groceries Stores Co., in Donald by M. W. Johnson, in Jefferson by Foshay & Mason and in Mill City by Marketeria Ore. Co. (Adv.)

Refresh Up That Black Dress
To clean black dresses, boil a handful of fresh ivy-leaves in a little water for ten minutes, then press through a sieve and apply to the cloth with a soft brush. Press with a warm iron on the wrong side and the material will look like new.

Resinol does wonders for chafed or irritated skins.

"My doctor told me about it and if I couldn't get another jar I wouldn't give this one up for anything." That is how many people regard Resinol Ointment. It is specially recommended for eczema and other itching skin troubles, but it is also excellent as a general household remedy for burns, scalds, chafings, cold sores, pimples, boils, insect bites, etc.

Resinol Soap and Resinol Shaving Stick contain the Resinol properties and all should be without these products.

Colds Cause Headaches and Pains
Feverish headaches and body pains caused from a cold are soon relieved by taking LAXATIVE BROMO QUININE Tablets. There is only one "Bromo Quinine." E. W. GROVE'S signature on the box. 30c. (Adv.)

Cocoa stains may be removed from linen by applying lemon juice to the spots. Place the article in the sun, and damp hourly with the juice, sprinkling a little salt on each time. Allow it to remain in the sun for a whole day, and rinse in the ordinary way.

Spent Money Foolishly

"I have been a great sufferer from stomach trouble and gall stones. No one knows the pains I have suffered. Since taking the first dose of Mayr's Wonderful Remedy am feeling fine, can work all day and eat anything I want. Have no more distress or palpitation of the heart from gas on my stomach. I have spent a great deal of money on doctors and medicine but got nothing to help me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded. J. C. Perry and druggists everywhere. (Adv.)

Roseburg, Nov. 7.—As a first step on the part of the city to gain a permanent place on the aerial passenger and mail service route contemplated by the government, the council voted unanimously to purchase the Hanon field just south of the city. A special bonding election will be called to raise funds to buy and equip the field, that by next summer planes will have a satisfactory landing field, with all accommodations.

Catarrh is a Real Enemy and Requires Vigorous Treatment

When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in un-stopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again. Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Good Health To You Dr. Carter's K. & B. Tea

Costs but Little and You Can Make a Whole Lot from One Package

More people are drinking Dr. Carter's K. & B. Tea than ever before, because they have found that in these days of high prices some of the simplest remedies are best.

Get a package of this purely vegetable tea. Everyone in the family will like it, because it only takes a few days for them to find out that for liver, stomach and bowels and to purify the blood there is nothing surer, safer or better.

Pimples, skin and sallow complexion vanish after a few cups, and the little tots just love it and should always have it, especially when out of sorts and feverish. (Adv.)

official returns from eighty-four of the eighty-eight counties today indicated the wets had won two of the four wet and dry issues voted on in Ohio Tuesday.

Ratification of national prohibition by the Ohio legislature was defeated by a majority of 16,000 in the counties reporting. The Crabbe enforcement act has a wet majority of approximately 29,000.

The effort to repeal state prohibition failed in those counties by a dry majority of 30,000 and the effort to legalize 2.75 per cent beer was voted down by 20,000 majority. The count in the four remaining counties may

change these results, both wets and dries agreed.

Wets were jubilant. They believed that in knocking out the federal amendment, constitutional prohibition may be deferred for at least a year.
