

POSSIBILITY SEEN OF SETTLEMENT OF SOVIET SITUATION

London, Nov. 6.—Possible settlement of the Russian situation, which reached a climax during debate in the house of commons late yesterday, was forecast today.

Some leaders saw in the statement of Lieutenant Colonel Cecil Malone that he believed "a possible satisfactory peace, with ending of the horrible cry of death and bloodshed" in Russia might be evolved from proposals made to him by Russian soviet leaders.

Malone recently returned from an unofficial mission to Russia. He brought back notes from the soviet government similar to those obtained by William Bullitt, investigator of the American peace mission. Confidence that agreements made by bolshevik officials with him would make possible peace "with all defecto governments to retain control of territory they now occupy, subject to removal of the blockade against Russia and unhindered transport to soviet territory" was expressed by Malone.

PARENTS OF WOMAN AND MAN HELD FOR MURDER AWAIT NEWS

Des Moines, Iowa, Nov. 7.—Mr. and Mrs. B. T. McCormick of Des Moines, parents of Frank A. McCormick and Mrs. Gertrude M. Wilson, who are held at Marysville, Cal., charged with the murder of Charles Brown, told the United Press they knew nothing of the case except what they had read through local newspapers.

"We have heard nothing from Frank or Gertrude since the affair occurred," the father declared. "We have not even received the reply to our telegram to the Marysville mayor, said to have been sent."

Asked if they intended to make the trip to California, should their son and daughter be brought to trial, McCormick replied:

"I don't believe there is anything we could do out there. It's a long way to California. My wife and I are getting old and I don't believe we will make the trip."

McCormick said his son Frank had left Des Moines about three months ago, going direct to California.

See that the daily functions are regular and normal. YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

The double standard of morals, as it affects men and women offenders, will no longer be followed by the police department. The women only, up to the present time, have been compelled to face prosecution.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and

work for me and I know it will help others if they will give it a fair trial."

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.
