- \* Modern writer's section, 1st and 3d Fridays.
- \* Literary appreciation, 2d and 4th Fridays.
- \* Music appreciation, 2d and 4th Thursdays.
- \* Sketch class, Thursday evenings at 7:30 and Sundays at 1:30 p. m.
- \* All sketch classes meet at the H. Monroe Gilbert studio, over the Commercial book store. All other meetings are held in the public library at 8 p. m. unless otherwise designated.

A large and appreciative audience of art, music and literature lovers assembled in the public library Tuesday evening, when the Salem Art League, meeting in third regular session, presented a program representative of its various departments.

It being Armistice day, a patriotic note was introduced in the singing of the Star Spangled Banner as an opening number. Mrs. R. Monroe Gilbert, president of the league, followed with a brief talk concerning the object of the league, being much encouraged by the work already done, and anticipating a splendid future. She told of the important things on the calendar for the next few months. In December Babcock, the leading interior decorator of Portland will lecture here, bringing with him fabrics for draperies and numerous other articles to illustrate his instructions in color combination and arrangement.

A prominent Salem musician has promised an evening in the near future, and another date of particular importance will be in December when A. C. Barbour gives his lecture on color photography in connection with an exhibit of his work in that line of art.

Miss Flora Case, city librarian, spoke interestingly of the plans of the literature sections revealing a most ambitious program. Mrs. E. C. Richards is to take charge of the short story study section, and at the next meeting which will be held at the home of Mrs. W. F. Fargo, 1085 North Church street, it will be decided whether or not the extension course of the U. of O. or that of the Home Correspondence school will be accepted. If this is done it will be possible for members to receive university credits.

A committee of three, Mrs. F. S. Barton, Otto Paulus and Mrs. W. F. Fargo, was named to perfect the constitution. Future programs will be un-

der the supervision of the art director, Mrs. E. E. Fisher.

A committee of five was also named by the music section. This are department of the state fair. This will be headed by Mrs. Gilbert and will include Miss Laura Pratt, R. Monroe Gilbert, Otto Paulus and A. C. Barbour.

A vote of thanks was extended E. L. Siff & Son for the loan of a victrola with Schubert records, and a piano for the evening.

A program of Schubert was furnished by the music section. Miss Pratt, representing the interior decorating class read an interesting paper on the place of pictures in the home. The literature section was represented by Mrs. F. S. Barton who read one of her original poems, and also one of Miss Pratt's.

A display of the work of the sketch class attracted much favorable comment.

### YOUNG COUPLE FACES COUNTERFEIT CHARGE

Portland, Or., Nov. 12.—(United Press.)—Joseph E. Riley and his pretty 19-year-old bride, Dorothy Tidd Riley, are scheduled to go on trial here today on the charge of making and passing counterfeit money.

The Rileys were arrested in Portland early in August, when the federal officials announced they had broken up a coastwide counterfeiting ring. They claim that Mrs. Riley is the daughter of Mrs. W. H. LaPointe, who, with her husband, has served time for counterfeiting.

The arrest of the Rileys followed a trail of "phony" money which had worried federal agents for some time. Gold and silver billion was found in the apartment of the couple when they were arrested, according to secret service workers.

### OAKLAND SOLDIERS RAID ANARCHIST HALL

Oakland, Cal., Nov. 12.—Nearly four hundred former soldiers and sailors raided Loring hall, headquarters of the newly organized Communist labor party here early this morning.

After breaking in the doors of the place, furniture, radical literature and red flags were thrown through the windows into the streets, where they were destroyed in huge bonfire.

Police authorities say the raid must have been carefully planned for when they arrived on the scene not one of the four hundred men was in sight.

### BANK IS CHARTERED

A charter was granted by Will H. Bennett, superintendent of banks, this morning to the Mill City State bank, Mill City, Marion county. The institution is capitalized at \$15,000. F. M. Arnold is president and cashier, F. I. Arnold is vice-president, and D. B. Hill is secretary.

### EMERGENCY BOARD IS CALLED INTO SESSION

Governor Olcott this morning issued a call for the state emergency board to convene in Salem, Tuesday morning, November 25, to consider the appeal of the public service commission for a deficiency appropriation for the maintenance of its grain department in Portland.

The board is composed of Governor and Secretary of State Olcott, State Treasurer Hoff, W. T. Vin-ton of McMinnville, president of the senate; Seymour Jones of Salem, speaker of the house of representatives, and Dr. J. C. Smith of Grants Pass and Herbert Gordon of Portland chairmen of the senate and house ways and means committees respectively.

The appeal of the commission is occasioned by the fact that grain inspection fees are said to be inadequate to meet the operating expenses of the department which was not provided with any appropriation by the last legislature.

### Further Raids On Reds Delayed For Evidence

New York, Nov. 12.—(United Press.)—Further raids on anarchist meeting places and arrests of more "reds" by the Lusk legislative committee will not be made here until testimony against communist party leaders now in custody has been heard.

The committee will prosecute the radicals already under arrest and determine by test what results can be attained before making further arrests, said Archibald E. Stevens, assistant counsel for the committee, today.

Eighteen of the twenty "reds" against whom preliminary court action has been taken have secured delay of their hearing until tomorrow.

James Larkin, Irish agitator, and Benjamin Gitlow, former New York assemblyman, however, were scheduled to appear before Chief Magistrate McAlooe today for examination. They were charged with criminal anarchy.

### Runaway Girls From Albany Are Captured

The capture of Mabel Thost and Mildred June Nelson, girls who several days ago escaped from the girls state training school, at Albany was reported to police here today. The girls left the institution wearing the regulation uniform of the school which ultimately betrayed them and frustrated their plans of escaping to California.

### LADY ASTOR'S CAMPAIGN HIT

Plymouth, Eng., Nov. 12.—Labor and liberal candidates have joined forces in an attack upon Lady Nancy Astor's campaign to become the first woman member of the house of commons. The opposition candidates in speeches yesterday attacked everything from Lord Astor's war record to Lady Nancy's American birth, imploring that the Astor peerage was bought with American money.

### COAL PRODUCTION SLOW IN RETURNING TO NORMAL OUTPUT

By J. L. O'Sullivan (United Press Staff Correspondent.) Indianapolis, Ind., Nov. 12.—Coal miners who have been on strike since November 1 were expected by officials of the United Mine Workers of America to start returning to work today.

Normal production of coal, union leaders here believed, will not be reached for some time. A few miners may even stay out until the negotiations to open in Washington Friday are completed.

Union leaders who have been in session here since Monday dispersed today. The scale committee of the central competitive field and representatives of other bituminous districts, meet next in Washington at the call of Secretary of Labor Wilson.

Several district leaders were evidently dissatisfied with the action of the meeting in complying with the demands of United States District Judge A. E. Anderson that the strike order be rescinded.

"I'm fine physically, but sore mentally," Alexander Howat of Pittsburgh, Kansas, president of the Kansas district, said. Howat and Frank Farrington of Illinois are known to have taken the lead in the fight to defy the court's order.

At a meeting late yesterday, the union heads agreed to give the scale committee a free hand in negotiating an agreement at the Washington conference. It was reported.

The miners, by rescinding the strike order, believed their case now rests with the government, and expects Secretary of Labor Wilson to see that the operators make concessions on the questions of compensation and hours of work.

### Appeal to Be Taken

Orders rescinding the strike order were in the mails before 6 o'clock last night, thereby complying in full with the court's instructions.

Attorneys for the United Mine Workers today prepared their appeal from Judge Anderson's decision to the United States circuit court of appeals. The appeal will be filed as soon as it can be prepared, Henry Warrum, chief counsel said.

The appeal will contend the war is ended and that laws passed to further prosecution of the war, under which Judge Anderson rendered his injunctive decision are no longer effective.

### PRICES BREAK WIDE ON N. Y. STOCK EXCHANGE

New York, Nov. 12.—Prices broke wide open about 1:30 today on the stock exchange when call money reached 25 per cent. No part of the list was spared. The break followed a morning of gradually descending prices. Sale of stock at 2 p. m. totalled 1,691,300 shares.

General Motors sold below 200 and Crucible, which had held up fairly well in the early trading, sold down to 21 1/2.

Brokers reported it almost impossible to borrow money at any price and as a result stocks were thrown overboard without respect for price.

The rails held fairly well, but they have not shared in the general advance of the year.

### War Time Dry Law Enforcement Enjoined

Providence, R. I., Nov. 12.—"A temporary injunction restraining federal officers in this district from enforcing war time prohibition was issued today by Judge A. L. Brown of United States district court. The order was directed against Harvey A. Baker, district attorney, and George F. O'Shaunnessy, collector of internal revenue.

### DESCRIBES ROADS SOUTH OF SALEM

A letter telling of the condition of the roads between Salem and Ashland was received this morning by Manager T. E. McCroskey, of the Commercial Club, from George A. Cooper, of Bellingham, Wash., who recently drove through to Salem en route south. The letter follows:

"Dear sir: I am pleased to write you from this place and advise you of the road conditions at this time from your city on. The road as far as Eugene is good, but from that point on there is no such animal. We were pulled out from one bottomless pit by a farmer who is a gentleman in every sense of the term.

From there on we made our way without mishap, and would have reached this place last night had it not been for the construction south of Cantonville. The man in charge there held us up three hours without any provocation whatever—about six cars in all, and we had to stay at Glendale.

"I am inclined to think that car can come through as soon as the worst places will be taken care of, which will be by the time this letter reaches you.

"I think that you will be perfectly safe in advising parties to drive right along. They do not mind some discomfort. They must expect to take their time or break their cars.

"It is worth while to see this country."

### Leonard Gets Hair Mussed In Bortfield Bout

New York, Nov. 11.—Bennie Leonard got his hair all mussed up last night in Jersey City.

That's about all the light weight champion did get in his eight round bout with Soldier Bortfield. And about all Leonard did was down his ruffled locks between little left jabs directed at the soldier's face.

The champion was gorgeous, with his newly mown, mathematically parted and slick lying hair and also a new pair of white satin trunks which gave him much concern lest his seconds get water on them.

Bortfield deliberately and with malicious intent mussed the champion's hair in the first round. The champ didn't get quite as mad at that though as he did in the sixth round when the soldier knocked him into the ropes with an awful bang. He then appeared vicious but something calmed him and he was the same sweet boy.

Leonard got the decision and a generous "razz" from a house of over 8,000 including Governor-elect Edwards of New Jersey, and Jimmy Wilde, world's flyweight champion.

All that the fans didn't get in the main "exhibition" of the evening they got in the eight round mill in which Mel Coogan trimmed Johnny Dundee. The little Irishman had a clear title on six of the rounds, one was a draw and only one went to the Italian.

The question of revision of the fees of physicians in Marion and Polk counties will be debated at a meeting Friday night, at the office of the Commercial club, 730, of the Marion and Polk County Medical Association. The meeting was scheduled for Tuesday night but because of the holiday was postponed.

**Eat Buckwheats-- Yes, You Can**

Or Any Other Kind of Food Set Before You. But You Need a Sturart's Dyspepsia Tablet to Help the Stomach Move it Along

Hot biscuits, buckwheats, rich cake and many other tempting foods are

**STURART'S DYSPEPSIA TABLETS**

deca. to be wholesome, digestible and nourishing under normal stomach conditions.

Many people, however, once got the notion they couldn't eat such things and have grown in prejudice as a consequence. They have denied themselves almost everything except milk and water.

But you will find here and there one of this kind eating onions, cucumbers, melons and other such terrors of the dyspeptic because he has found that by merely giving the stomach a little assistance there are no after effects from such indulgence.

There is avoidance of gasiness, no sour flinings, no water brash, you don't taste 'em hours after.

Stuart's Dyspepsia Tablets are for both those who starve, for fear of suffering. They relieve the distress of indigestion and they also serve to assist the stomach to prevent indigestion.

Eating should be one of our chief enjoyments. It is really the most attractive of social gatherings, and it is worth our while to realize that that we may indulge freely by exercising the precautionary measure of aiding the digestive process. Thus you may eat your hot biscuits, buckwheats, rich cake, onions, mince pie, sausage and so on provided you take a Stuart's Dyspepsia Tablet afterwards.
